2.1. Proċedura

Titlu: Air Navigation resource management system (RMS)

Deskrizzjoni: Fintraffic Air Navigation Services Ltd ("procurement unit") is procuring a resource management system (RMS) as a ready-made software solution for resource planning of Fintraffic Air Navigation Services' operational personnel. The object of the procurement with the requirements and commercial terms is described in more detail in the appendices of the call for tenders. The procurement unit will select one supplier. The price-quality comparison criteria to select the most economically advantageous tender is described in more detail in an annex 6 Comparison Criteria. The procurement has not been divided into parts because the procurement unit has assessed that the need can be met with a ready-made solution purchased as a service, for which the system supplier also offers an implementation project and necessary support services.

Tip ta' proċedura: Miftuħa

Il-proċedura hija aċċellerata: Ie

Elementi prinċipali tal-proċedura: The procurement complies with Finnish Act on public contracts and concessions of entities operating in the water, energy, transport and postal services sectors 1398/2016 ("Procurement Act in special sectors") and Act on the Openness of Government Activities 621/1999 ("Openness Act"). <https://www.finlex.fi/fi/lainsaadanto/saadokaannokset/2016/eng/1397> The procurement procedure is an open procedure in accordance with Section 36 of the Procurement Act in special sectors. In an open procedure the procurement unit publishes a contract notice and places a call for tenders for the receivable, on which basis all prospective suppliers may submit their tenders. Tenders must be submitted as final and the procedure does not include negotiations. The specifications describing a procurement and any associated technical specifications contained therein are set out in the contract notice, in the call for tenders or in the annexes thereto, and determine the characteristics required. After the deadline for submitting tenders has expired, the procurement unit will check that: 1) the tender complies with the mandatory requirements, conditions and criteria set out in the procurement documents; and 2) the tender has been

submitted by a tenderer who meets the suitability requirements set out by the procurement unit. A tenderer shall demonstrate in its tender that its tendered goods and services comply with the requirements set out in the call for tenders and other procurement documents. The procurement shall exclude from competitive tendering any tenders that fail to correspond to the call for tenders or to the terms and conditions of the tendering procedure or if the tenderer does not meet the suitability requirements. If the information or documents in a tender are incomplete or incorrect in immaterial respects, or if some documents or information are missing that are not used to assess compliance with the call for tenders or the fulfillment of the tender suitability requirements or to compare tender, the contracting entity may request the tenderer to submit, add, clarify or supplement the information or documents within the time limit imposed by procurement entity.
