2.1. Proċedura

Titlu: Establishment of a contract for design and graphical services.

Deskrizzjoni: The National Security Authority shall enter into a framework agreement with one tenderer for graphic services. The Norwegian National Security Authority (NSM) is Norway's directorate for preventive safety. The directorate's main task is to improve Norway's ability to protect against snooping, sabotage, terror and compound threats. Through consultancy, inspections, testing, research and development, NSM contributes to ensuring civil and military information, systems, objects and infrastructure of importance for national security. NSM has national responsibility for coordinating the handling of serious cyber operations. NSM is one of Norway's three secret services together with the Intelligence Service and PST. Our values are clear, responsible and prepared. In order to contribute to a resistant Norway, NSM is dependent on trust from the population. NB's visual expressions shall contribute to making NSM a clear sender. NSM has its main office in Fornebu.
