2.1. Proċedura

Titlu: Procurement of consultancy services for the execution of waste analyses.

Deskrizzjoni: PURPOSE AND SCOPE The contracting authority shall enter into a framework agreement with a tenderer for consultancy services for planning, implementing and preparing a report for waste analyses. In accordance with the Waste Regulation chapter 10a, REG is obligated to ensure the sorting and material recovery of several waste types. In order to substantiate the sorting requirements, as well as quality requirements and the necessary costs for the collection and waste management in the manufacturer responsibility schemes, it is decisive to have an overview of the composition of the waste in REG's different waste streams. There can also be a need for waste analyses or other surveys in order to increase knowledge on the composition of bulky waste, household like business waste or to measure the effect of campaigns etc. The contract has an estimated value of NOK 6 million. The estimates are only a guideline and are without obligation for the Contracting Authority.
