Ftehim qafas:

Ftehim qafas, mingħajr ma terġa' tinfetaħ il-kompetizzjoni

Numru massimu ta' partekipanti: 10

Ġustifikazzjoni tat-tul ta' żmien tal-ftehim qafas: The duration of the framework agreement is a total of five years, as a longer period is necessary due to new suppliers investment costs as the contract assumes that the tenderer has the machinery and equipment necessary for the execution of the work. The investment costs for suppliers who do not already have the equipment available are potentially large, and a longer contract period can contribute to increased competition and options for new suppliers to participate.
