The procurement will be carried out as an open tender contest in accordance with PPR parts I and IV. This procedure gives all interested tenderers the possibility to submit tender offers. The contracting authority plans to award the contract without having contact with the Tenderers beyond making any minor clarifications /corrections of the tenders. Negotiations can, however, be carried out if the Contracting Authority, after the tenders have been received, considers it appropriate. The selection will, in such cases, be made after an assessment of the award criteria. Emphasis is put on the fact that no Tenderers can expect a dialogue on their tender and ought, therefore, to submit their best tender. Tenderers are strongly encouraged to follow the instructions given in this tender documentation with annexes and possibly ask questions about uncertainties. Questions or uncertainties are to be sent in writing through "questions and answers" in Mercell Tendsign. The procurement is announced in the DOFFIN and TED databases.
