Ksur tal-obbligi fl-oqsma tal-liġi soċjali: Is the supplier known to have committed a breach of provisions regarding social conditions as set out in national law, the relevant notice or the procurement documents, or Article 18(2) of Directive 2014/24/EU?

Norwegian procurement rules go beyond the grounds for exclusion set out in the EU Public Procurement Directive and the standard ESPD form. It is therefore clarified that all grounds for exclusion under Section 24-2 of the Public Procurement Regulations apply to this procurement process, including grounds that are purely national in nature. The following grounds for exclusion under Section 24-2 of the Public Procurement Regulations are purely national: • Section 24-2(2). This provision stipulates that the contracting authority must exclude a supplier when it becomes aware that the supplier has been convicted by a final judgment or has accepted a fine for the specified criminal offenses. The requirement for the contracting authority to exclude suppliers who have accepted a fine for the specified criminal offenses is a specifically Norwegian requirement. • Section 24-2(3), letter (i). The

ground for exclusion in the ESPD form applies only to serious professional misconduct, whereas the Norwegian ground for exclusion also encompasses other serious misconduct that may cast doubt on the supplier's professional integrity.

Ksur tal-obbligu relatat mal-ħlas tal-kontribuzzjonijiet tas-sigurtà soċjali: Has the supplier failed to fulfill all its obligations to pay social security contributions both in the country where it is established and in the client's Member State, if this is a country other than the one where it is established?

Ksur tal-obbligu relatat mal-ħlas tat-taxxi: Has the supplier failed to fulfill its obligations to pay taxes and charges in the country where it is established, and in the contracting authority's Member State, if this is a country other than the one where it is established?

Arranġament mal-kredituri: Is the supplier subject to a compulsory debt settlement arrangement? Please explain why, under these circumstances, the supplier is nevertheless able to perform the contract, taking into account applicable national provisions and measures regarding the continuation of business activities.
