2.1. Procedure

Titel: Procurement of a framework agreement for consultancy services within planning competence.

Beschrijving: AtB AS ("AtB" or "Contracting Authority") is a mobility company that is responsible for planning, coordination, marketing and the procurement of scheduled public transport throughout Trøndelag County. AtB's most important task is to facilitate flexible, seamless journeys adapted to different needs and travel patterns. AtB is responsible for planning, acquiring, operating, developing and marketing the public mobility offer, which consists of scheduled buses, school transport, various forms of booked transport, express boat and ferry services. In addition, AtB combines and makes available all forms of mobility in its app for travel planning, which also includes micromobility and co-driving, which turns into a general offer for customers. In 2025, there were 58 million ongoing passengers in AtB's total offer. For further information, see the www.atb.no.

Interne identificatiecode: 26/00021

Type procedure: Niet-openbaar

De procedure wordt versneld: neen

Belangrijkste kenmerken van de procedure: The overall objective with this framework agreement for consultancy services is to procure consultancy services within transport, public transport, mobility, area planning and related infrastructure. Assistance within what we can define as new mobility areas will be particularly relevant. Assistance within, for example, electrification and accompanying engineering and consultancy services connected to this is also potential assignments. Project management within the mentioned disciplines can also be relevant. The extent of the assignments and need will vary with the development rate in AtB, and neither the extent, volume or length of the assignments are guaranteed.
