5.1.10. Gunningscriteria

Criteria:

Type: Kwaliteit

Naam: The offered key personnel' documented competence and relevant experience.

Beschrijving: The offered personnel must have experience with analyses as described in chapter D 'requirement specification'. When assessing this criteria, the contracting authority will assess both competence and experience in isolation and how well the team complements each other. The following competence and experience will be assessed as particularly important when evaluating key personnel: 1. Competence and experience with transport models for passenger transport (Cube, NTM/RTM). 2. Competence and experience with a

transport model for goods transport (Cube, NGM) 3. Competence and experience connected to socio-economic analyses carried out in accordance with the Norwegian Public Roads Administration's handbook V712 Impact analysis/priced consequences, by using a calculation tool EFFECT (with and without connection to the transport model). CVs shall be submitted for three (3) key persons. The contracting authority's CV template shall be used. The contracting authority emphasises the importance that the number of CVs that are delivered is in accordance with the tender documentation.

Criterium:

Type: Kwaliteit

Naam: Implementation

Beschrijving: The tenderers will be assessed on the following conditions on this award criteria:

- Capacity beyond offered key persons (CVs are not requested here, but a competence matrix or other overview showing the tenderer's relevant capacity beyond the offered key persons).
- Description of a standard work flow for calculating priced consequences.
- Routines for quality assurance of the total delivery, including input from external suppliers (both from Nye Veier and others).
- Routines for transfer of experience and development (both internally and towards the contracting authority)

The response shall not exceed 5 pages. Assignment descriptions that exceed the maximum requirement can lead to the tender being rejected. The contracting authority's template for the assignment description shall be used. The requirement is weighted 40%

Criterium:

Type: Prijs

Naam: Price

Beschrijving: Average hourly rate for the categories of personnel stated in the price form in EU-supply. All items in the price form shall be completed. The requirement is weighted 20%
