Aanvullende informatie: Procurement description: Finavia seeks a dedicated restaurant partner to create, deliver and continuously evolve a flagship-level restaurant entity and its business and operational model that will aim to become a defining part of Helsinki Airport's Food & Beverage offering. Flagship-level refers to a concept becoming a well-known and acclaimed destination dining concept. Flagship-level restaurant demonstrates distinctive identity, strong culinary credentials, and high standards of hospitality, and which attracts customers primarily on the merits of its food, beverage, service, and overall experience.
