2.1.6. Gronden voor uitsluiting

Bronnen voor uitsluitingsgronden: Aankondiging

Ernstige beroepsfout: Is the economic operator guilty of grave professional misconduct?

Where applicable, see definitions in national law, the relevant notice or the procurement documents.

Belangenconflict als gevolg van deelneming aan de aanbestedingsprocedure: Is the economic operator aware of any conflict of interest, as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure?

Directe of indirecte betrokkenheid bij de voorbereiding van deze aanbestedingsprocedure: Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure?

Gaf valse verklaringen af, hield informatie achter, was niet in staat vereiste documenten te verstrekken of verkreeg vertrouwelijke informatie over deze procedure: Can the economic operator confirm that: a) It has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, b) It has withheld such information, c) It has not been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and d) It has undertaken to unduly influence the decision making process of the contracting authority or contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award?

Terroristische misdrijven of strafbare feiten in verband met terroristische activiteiten: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out

directly in the conviction continues to be applicable? As defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002, p. 3). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision. For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Niet-nakoming van de verplichting tot betaling van socialezekerheidsbijdragen: Has the economic operator breached its obligations relating to the payment social security contributions, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment? For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. 5.1.9. Selectiecriteria

Bronnen van selectiecriteria: Aankondiging

Criterium: Referenties voor gespecificeerde diensten

Beschrijving van het selectie criterium: The suitability of applicants fulfilling the minimum requirements to economic and financial standing will be assessed based on technical and professional ability. The ability will be assessed based on references which can be filled in ESPD part IV.C. The applicant is allowed to submit up to three (3) most comparable and relevant references undertaken in the past five (5) years as part of the application. By

"undertaken in the past five (5) years" implies that the reference must not have been completed prior to the date reached when counting five (5) years backwards from the submission date for prequalification. References older than this will not be taken into consideration. References which have not yet been fully completed can be included as part of the application, however the applicant must describe the parts which have not yet been delivered, and this may affect the evaluation of the application, cf. section 2.3. The references should be listed in the ESPD and elaborated in BEI-S-01.05 – References. The references should cover completion of offshore environmental surveys of at least one year and better two years survey program in the Baltic Sea region, and include the elements listed in BEI-S-01.05 – References. Any ambiguities and/or incomprehensibilities may have a negative effect on the selection of applicants. Please note the "description" box in ESPD part IV.C. can contain more text than is visible and it is possible to copy paste text into the box. If the applicant is relying on the capacity of other entities or the applicant is a group of economic operators the maximum number of references to be submitted must still be respected and cannot exceed three (3) when combined. If more are submitted, the Contracting Authority will only consider the most recent references determined by date of final delivery, in this case not yet finished references will not be included. If the applicant relies on other entities capacity or is part of a group of economic operators the information concerning ESPD part IV.C must be submitted in separate ESPD's for each entity. Minimum requirement: It is a minimum requirement that the tenderer has at least 1 reference with offshore environmental surveys of at least one year duration and including at least survey of marine mammals by use of PAM, survey of resting birds by use of aerial flights, survey of migrating birds by use of radar, survey of bats by use of bat-detectors and survey of fish and fish populations.

5.1.10. Gunningscriteria

Criterium:

Type: Prijs

Naam: Price

Beschrijving: Prices must be stated in the attached BEI-S-01.04 - Price List and the defined price elements must be completed herein. Prices must be stated exclusive of VAT but inclusive of all other expenses associated with the purchase. Prices must be stated in EUR When evaluating 'Price', the Contracting Authority will evaluate the total cost (for evaluation purpose), cf. the Price List.

Categorie van het gunningscriterium gewicht: Gewicht (percentage, exact)

Gunningscriterium numerieke waarde: 40

Criterium:

Type: Kwaliteit

Naam: Delivery

Beschrijving: Methodology (50% of Delivery) The Tenderer should enclose the following documentation: 1. A projects specific methodology/method statement demonstrating how the Tenderer intends to perform each work package comprised by the Scope of services

documents, including procedures, methods and tools (i.e. IT software) for assuring technical quality of all deliverables to the Contracting Authority under the Consultancy agreement. This applies for all the work packages.

2. A description of the applied HSE management and procedures for performing site investigations and studies in compliance with the Contracting Authority's HSE requirements. This must include documentation listed in BEI-S-03-02 Tender HSE Requirements section 2.1 Vessels. This only applies for the following work packages: B, C, D, E and F.

3. A project timeline in accordance with Energinets milestone activities (cf. Scope of Services documents). The use of a gantt chart or similar is encouraged. This applies for all the work packages. The Contracting Authority will evaluate the proposed Methodology in relation to the scope and the complexity of the tendered assignment for, cf. the Scope of Services documents, emphasizing the following:

1. Tenderer's understanding of the project as such, demonstrated by the suitability of the proposed procedures, tools and methods for performing the work packages comprised by the Scope of Services documents.
2. To which extent the tender describes a proactive HSE set-up, where the HSE-planning demonstrates a systematic management of tasks, risk assessment and identification, mitigation and investigation of incidents.
3. The degree to which the tender demonstrates a well-planned, realistic and robust time schedule, which allows sufficient time for potential schedule contingencies, but still provides evidence of a high level of security for delivery within the timeframe as set out in the Tender Documents.

The above item 1-3 applies for the following work package as indicated below:

Item 1: All work packages
Item 2: Work package B, C, D, E, F
Item 3: All work packages

An overall evaluation will be made of each Work Package. Each Work Package will be equal weighted in the evaluation of this sub-criteria.

Organization and key personnel (50% of Delivery)

The Tenderer should prepare the following documentation:

1. CV's and CV abstracts
2. Organization description

The Tenderer should enclose CV's and CV abstracts of the Key Personnel who will be allocated to the assignment, including:

1. The Project Director
2. The Project Manager responsible for the contract and point of contact for the Client.
3. Work Package Managers, Senior Consultants and specialists, who are technically involved in operating the work packages.
4. HSE manager responsible for HSE activities.
5. Quality manager responsible for quality assurance activities.

The same person may cover more than one discipline. Tenderer is encouraged not to exceed twenty (20) CV's in total.

CV abstracts

The tenderer should prepare an abstract of each CV, organized as a table including the following data fields:

1. Experience in current position, number of years.
2. Experience in general, number of years.
3. Educational background.
4. Professional background.
5. Relevant work experience.

CV's

The CV's should include a description of experience and competences of relevance to the tendered assignment considering the position for which the key personnel are proposed (e.g. experience within that position, experience with similar assignments etc.). Tenderer is encouraged to limit each CV to two (2) pages (including CV abstract).

Organization description

Finally, the Tenderer should enclose a description of the project specific organizational structure, including (if applicable) Subcontractors, which will be allocated to the assignment, including organization chart. Tenderer is encouraged to limit each organization description to three (3) pages. The evaluation of the subcriterion "Organization and Key Personnel" will be based on whether the experience and professional qualifications of the individual Key Personnel is recent and relevant and how they complement each other. Further, the evaluation will be based on whether the proposed organizational structure is found to be operational and efficient taking into consideration the scope and complexity of the assignment. An overall evaluation will be made of this sub-criterion.

Organisatie voor beroepsprocedures: Danish Complaints Board for Public Procurement

Informatie over de termijnen voor beroep: According to the Danish Complaints Board for Public Procurement Act etc. (the Act can be downloaded at www.retsinformation.dk), the following deadlines for filing a complaint apply: Complaints about not having been selected must be submitted to the Danish Complaints Board for Public Procurement within 20 calendar days, cf. Section 7(1) of the Act, from the day after sending a notification to the candidates concerned about who has been selected, when the notification is accompanied by a statement of reasons for the decision in accordance with Section 2(1)(1) of the Act and Section 171(2) of the Public Procurement Act. In other situations, complaints about tenders, cf. Section 7(2) of the Act, must be submitted to the Complaints Board for Public Procurement within: 1) 45 calendar days after the contracting entity has published a notice in the Official Journal of the European Union that it has entered into a contract. The deadline is calculated from the day

after the date on which the announcement has been published. 2) 20 calendar days from the day after the contracting entity has announced its decision, cf. Section 185(2) of the Public Procurement Act. No later than the same time that a complaint is submitted to the Complaints Board for Public Procurement, the complainant must inform the contracting entity in writing that a complaint is submitted to the Complaints Board for Public Procurement and whether the complaint has been submitted during the standstill period, cf. Section 6(4) of the Act. In cases where the complaint has not been submitted during the standstill period, the complainant must also state whether the complaint is to be given suspensive effect, cf. Section 12(1) of the Act. The Complaints Board for Public Procurement's e-mail address is stated in Section VI.4.1).
