2.1.4. Informacje ogólne

Informacje dodatkowe: The applicant must submit a completed ESPD to apply for the Qualifications system. The ESPD for this tender can be found via EU-supply. The ESPD must be completed in EU-Supply and submitted via "My Response", cf. link in section I.1 in this notification. Applications not submitted via EU-supply will not be accepted. The Contracting Authority reserves the right to request the applicant to supplement, specify or complete the information submitted. 1) Concerning economic and financial standing: For admittance to the SQS, the Applicant must meet the minimum requirements in the latest annual report listed in the "Guide to SQS" (doc. no. 20/02476) section 3.2.1.1. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 "Additional information". It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium). 2) Concerning technical and professional ability: For admittance to the SQS, the Applicant must meet the minimum requirements listed in the "Guide to SQS" (doc. no. 20/02476) section 3.2.1.2. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities. 3) General: — An applicant participating on its own, but relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor), must ensure that the application includes the applicants own ESPD together with a separate ESPD from each of the entities it relies on with a completed part II: "Information concerning the economic operator" and part III: "Exclusion grounds" of the ESPD as well as the relevant information regarding part IV: "Selection criteria" and part V: "Reduction of the number of qualified candidates". The ESPD from each of the entities should be duly filled and signed by the entities concerned. Further where an applicant wants to rely on the capacities of other entities, it shall prove to the contracting authority that it will have at its disposal the resources necessary, for example, by producing a commitment by those entities to that effect, which must be submitted as part of the final documentation. — Where groups of economic operators, including temporary associations, participate together in the procurement procedure, a complete separate ESPD for each of the participating economic operators must be submitted. Further the final documentation must include a signed declaration by all parties of the group of economic operators (joint venture, consortium or other) stating that all economic operators assume joint and several liabilities towards the Contracting Authority for the performance of the contract as a whole.

2.1.6. Podstawy wykluczenia

Powody wykluczenia źródła: Uwaga

Korupcja: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for corruption, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 3 of the Convention on the fight against corruption involving officials of the European Communities or officials of Member States of the European Union, OJ C 195, 25.6.1997, p. 1, and in Article 2(1) of Council

Framework Decision 2003/568/JHA of 22 July 2003 on combating corruption in the private sector (OJ L 192, 31.7.2003, p. 54). This exclusion ground also includes corruption as defined in the national law of the contracting authority (contracting entity) or the economic operator. " For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts.
