2.1.4. Informacje ogólne

Informacje dodatkowe: **SELECTION:** Selection will be based on the three (3) applicants who have demonstrated the most comparable references in relation to the Project. In this assessment, particular emphasis will be placed on: • Whether the scope and nature of the works are comparable. In this context, it will be considered a positive factor if the reference projects; o concern the construction of stone beds, o have been carried out in very hard deposits, o have been performed at water depths comparable to those of the Project. • Whether the works were performed in comparable surroundings in an operational harbour area. In this context, positive weight will be given if the reference project has been carried out in an area with other operational activities, in particular within an active port. The Contracting Authority will pre#qualify three (3) applicants. The selection will be based on the information provided by the applicant in the ESPD and/or in the submitted reference appendices. The Contracting Authority nevertheless reserves the right, at any time, to require applicants to submit all or part of the documentation referred to in Section 7.1, if the Contracting Authority considers such documentation necessary to ensure the proper conduct of the procurement procedure. **GROUND FOR EXCLUSION** A tenderer who at any time during the procurement procedure is or becomes subject to one of the grounds for exclusion in sections 135-136 and 137(1)(1-6) of the Public Procurement Act, will be excluded from the procurement procedure unless, within a reasonable time limit set by the Contracting Authority the tenderer submits documentation showing the reliability of the tenderer, cf. section 138 of the Public Procurement Act. The Contracting Authority will also exclude a tenderer or applicants established in a jurisdiction listed on the EU list of non-cooperative tax jurisdictions which has not acceded to the WTO Government Procurement Agreement or other trade agreements obliging Denmark to open its public procurement market to tenderers or applicants established in that jurisdiction (corresponding to the current Section 134a in The Public Procurement Act). Before the Contracting Authority can make an award decision, the Contracting Authority must obtain final documentation of the correctness of the successful tenderer's information in the ESPD. Where the tenderer is a consortium, each member of the consortium shall submit documentation in accordance with the below. Where the tenderer relies on the resources of other economic operators in relation to suitability, each such supporting economic operator shall submit documentation in accordance with the below where the tenderer relies on the economic and financial capacity of the supporting entity. **PRELIMINARY DOCUMENTATION** As preliminary documentation that the tenderer is not excluded under Sections 134a-136 and section 137(1)(1,2,6) of the Public Procurement Act, and to demonstrate that the tenderer meets the minimum suitability requirements set out in the contract notice and above, the

tenderer should submit a correctly completed ESPD with the tender. FINAL DOCUMENTATION For Danish tenderers, this documentation will consist of a Service Certificate (issued no earlier than 6 months before the tender deadline) and the three most recent annual accounts. For foreign tenderers, similar documentation will be provided by; an extract from a relevant register or an equivalent document issued by a competent authority, demonstrating that the tenderer is not subject to the grounds for exclusion set out in section 135(1) of the Danish Public Procurement Act; and a certificate issued by a competent authority demonstrating that the tenderer is not subject to the grounds for exclusion set out in section 135(3) and section 137(1), nos. 2 and 6 of the Danish Public Procurement Act. Where the relevant country does not issue the above mentioned documents or certificates, or where such documents do not cover all the required grounds for exclusion, they may be replaced by a sworn statement. Where sworn statements are not used in the relevant country, a solemn declaration may be submitted, made before a competent judicial or administrative authority, a notary public, or a competent professional body in the country in which the applicant or tenderer is established. DOCUMENTATION OF ECONOMIC AND FINANCIAL CAPACITY Upon request by the Contracting Authority, tenderers shall document compliance with the stipulated minimum requirements for economic and financial capacity by submitting the following documentation: • The tenderer's three (3) most recent annual accounts; or • a statement of key financial ratios for the three (3) most recent financial years issued by the tenderer's management and confirmed by the tenderer's auditor, where the tenderer is subject to statutory audit requirements. Where, for reasons not attributable to the tenderer, the tenderer is unable to submit the required documentation, the tenderer may document its economic and financial capacity by any other means deemed appropriate by the Contracting Authority. DOCUMENTATION PURSUANT TO REGULATION (EU) 2025/395 By this regulation (amending Regulation (EU) 833/2014), the EU published the 16th sanctions package against Russia on 24 February 2025. The new sanctions are set out in Article 5k of the Regulation, prohibiting EU contracting entities from awarding contracts to economic operators in or linked to Russia. Pursuant this Article 5k of the Regulation, the tenderer shall, upon request by the Contracting Authority, submit a signed declaration (Appendix 3 to the Tender Conditions (UD#03).

5.1.9. Kryteria kwalifikacji

Źródła kryteriów wyboru: Uwaga

Kryterium: Średni roczny obrót

Opis kryterium selekcji: The applicant shall meet the following minimum requirements: • Average annual turnover of at least 17,4 million EUR in the three (3) most recent available financial years. For consortia, the members of the consortium shall jointly fulfil the minimum requirements. For applicants relying on the economic and financial capacity of other economic operators, the applicant and the supporting entity shall jointly fulfil the minimum requirements. Supporting entities whose capacity is necessary for the applicant to meet the minimum requirements regarding economic and financial capacity shall be jointly and severally liable with the applicant for the tender and, if awarded, for the performance of the Contract.

Kryterium: Wskaźnik finansowy

Opis kryterium selekcji: The applicant shall meet the following minimum requirements: • Positive equity in the three (3) most recent approved annual accounts. For consortia, the members of the consortium shall jointly fulfil the minimum requirements. For applicants relying on the economic and financial capacity of other economic operators, the applicant and the supporting entity shall jointly fulfil the minimum requirements. Supporting entities whose capacity is necessary for the applicant to meet the minimum requirements regarding economic and financial capacity shall be jointly and severally liable with the applicant for the tender and, if awarded, for the performance of the Contract.

Kryterium: Referencje dotyczące określonych prac

Opis kryterium selekcji: It is a minimum requirement that the applicant has at least one (1) comparable reference, demonstrating that the applicant has carried out dredging works in very hard deposits or rock formations at water depths comparable to those of the present Project. The reference shall have been completed within the last five (5) years prior to the application deadline. The time of performance shall be calculated from the date of take#over. A maximum of five (5) references per applicant (or applicant group) may be submitted. References may be

included even if the works have not been finally taken over by the employer, provided that the works covered by the reference have been performed. If more than five (5) references are submitted, the Contracting Authority will only take the five (5) most recent references into consideration. For each reference, applicants are encouraged to state; • a description of the works performed (including a description of the seabed and subsoil conditions and the water depths), • the employer, • the date of take#over, and • the contract value. The reference requirements may be fulfilled by references where the applicant has acted as contractor or subcontractor. The decisive factor is that the applicant has performed the works covered by the reference. Please note that an applicant may only list its own references in its ESPD, i.e. references relating to the relevant legal entity (e.g. company). This means, inter alia, that references from affiliated group companies may only be taken into account if the applicant relies on the capacity of such group companies and if a separate ESPD and declaration of support are submitted for the relevant entities. For consortia, the members of the consortium shall jointly fulfil the minimum requirement. For applicants relying on the technical and professional capacity of other economic operators, the applicant and the supporting entity shall jointly fulfil the minimum requirement. References may be attached to the application as a separate appendix.

Organ odwoławczy: Klagenævnet for Udbud

Informacje o terminach odwołania: Pursuant to act 7 in the Danish Act on the Complaints Board for Public Procurement, etc. (lov om Klagenævnet for Udbud m.v.) (the Act is available (in Danish) at www.retsinformation.dk), the following deadlines apply to the lodging of complaints: Complaints for not having been selected must be submitted to the Danish Complaints Board for Public Procurement before the expiry of 20 calendar days, see section 7 (1) of the Act, from the day after submission of notification to the candidates concerned of the identity of the successful tenderer where the notification is accompanied by an explanation of the grounds for the decision in accordance with section 2(1), para (1) of the Act. In other situations, complaints of award procedures, see section 7(2) of the Act, must be lodged with the Danish Complaints Board for Public Procurement before the expiry of: - 45 calendar days after the contracting entity has published a notice in the Official Journal of the European Union that the contracting entity has entered into a contract. The deadline is calculated from the day after the day when the notice was published. Not later than at the time of lodging a complaint with the Danish Complaints Board for Public Procurement, the complainant must notify the contracting entity in writing that a complaint has been lodged with the Danish Complaints Board for Public Procurement and whether the appeal was lodged during the standstill period, see section 6(4) of the Act. In cases where the complaint was not lodged within the standstill period, the complainant must furthermore indicate whether a suspensory effect of the complaint has been requested, see clause 12(1) of the Act. The e-mail address of the Complaints Board for Public Procurement is set out in section 8.
