Tytuł: Procurement of an SAP solution expert- Logistics CM maintenance.

Opis: The Contracting Authority shall enter into this agreement on behalf of The Norwegian Defence Materiel Agency (FMA). FMA is a part of the defence sector, directly under the Ministry of Defence (FD). FMA shall ensure that the Norwegian Armed Forces and other entities in the defence sector have access to cost efficient and secure material and services in line with approved long-term plans. FMA's main assignments are planning, procurement, management and disposal of material for the Norwegian Armed Forces and other departments under FD. Organisational reasons can be required during the contract period to transfer the resource to Cyber Defence's IT Department (CIT) DRIV. DRIV is responsible for the technical operation and further development (DEVSECOPS) of the Joint Integrated Management System (FIF). FIF is a SAP ERP system integrated with a number of other different applications. Internal processes are based on flexible frameworks (Scrum, SAFE), the Security Act and different industry standards for safety and ITIL for operation. DRIV consists of approx. 150 persons, most of whom are located in Oslo. Both employees and consultants staff the organisation. The aim of this notice is to fill the role of solution expert for project P1160 "Critical upgrade of ERP" in the product team Logistics in DRIV. The consultant shall take care of the solution expert role within the discipline SAP Logistics. Including support and assist with competence building at the Norwegian Armed Forces' own system experts. The role can involve cooperation with other departments and/or projects in the Norwegian Armed Forces.
