5.1.10. Kryteria udzielenia zamówienia

Kryterium:

Rodzaj: Cena

Nazwa: Price

Opis: Evaluation of the sub-criterion "price": The sub-criterion 'price' will be assessed on the basis of the answers provided by the Tenderer when filling in Appendix 5 – Tender List. The evaluation will be based on the Tenderer's stated prices, exclusive of VAT, but inclusive of all other costs. The total evaluation price is automatically added up in Appendix 5 – Tender List. The evaluation model used for the sub-criterion 'Price' is described below. Primary evaluation model The total evaluation prices will be evaluated relatively and based on a linear score model from 0 – 10 points. The 'lowest total evaluation price' among the compliant tenders cf. Prequalification and Tender conditions section 7.6, is awarded 10 points. A total evaluation price equal to the 'lowest total evaluation price' plus X % or above will be awarded 0 points, however, subject to the use of the below secondary and tertiary evaluation models if the conditions for this have been met. Other total evaluation prices are awarded points based on

the following formula: $X = (\# -) / \# = - \#$ where X is thus set at 50 %. If the following secondary or tertiary evaluation model is used, the above formula is adjusted accordingly. The awarded points will be multiplied by the weighting of the price sub-criterion in the overall evaluation. Secondary evaluation model If it is ascertained that the total evaluation price of half or more of the compliant tenders is higher than the 'lowest total evaluation price' plus 50 %, X is fixed at 75 %. A total evaluation price corresponding to the 'lowest total evaluation price' plus 75 % or more will thus be awarded 0 points. Tertiary evaluation model If it is ascertained that the total evaluation price of half or more of the compliant tenders is higher than the 'lowest total evaluation price' plus 75 %, X is fixed at 100 %. A total evaluation price corresponding to the 'lowest total evaluation price' plus 100 % or more will thus be awarded 0 points.
