Título: 111-BYM-2025 - Procurement of an agreement for the operation and maintenance of public toilets.

Descrição: The Agency for Urban Environment's current operational contract for public toilets expires in April 2026. As of December 2025, the operational agreement comprises 14 toilets and two summer open pissoirs (see annex 1.1). The tenderer must take into account that the number can increase during the contract period, but also that it can be reduced. We anticipate that the likelihood is greater that the number will be increased than that it decreases. The 14 public toilets included in this agreement are distributed over large parts of the city and are of different models. Seven Heyerdahl toilets are located at the following places: Myraløkka, St. Hanshaugen, Sofienbergparken, Slottsparken, Youngstorget, Stortorvet and Rådhusbrygga. Three Liberté toilets are located at Eidsvolls plass/Spikersuppa. This is an art installation where normal toiletry is included as a part of the work, whilst the actual art installations are administered by a third party. The Agency for Urban Environment has established toilets at the following places: Christian Klosters plass (Momek), Klosterenga (Danfo), Jordal (Raw Concrete), Vekta Nedre Foss (in existing buildings that were previously grain weight). Two summer open pissoirs on the Fight: one at Kampen park and one at Kampen Church. See annex 1.1 - overview of toilets and annex 1.2 - map of toilets. See Annex 2 - Assignment Description for further information and details on the extent of the operation and maintenance.

Descrição: The contracting authority has a duty in accordance with the Public Procurement Act § 5 to adapt its procurement practice so that it contributes to reducing harmful environmental impact and to promote climate-friendly systems when relevant. It follows from the Public Procurement Regulations §7-9 that the contracting authority as a starting point should weight climate and environment considerations with a minimum of 30 percent where the criteria are given with relative weighting. In this contract the Contracting Authority has instead set climate and environmental requirements that, according to the contracting authority's assessment, give a significantly better climate and environmental effect, and have therefore failed to weight climate or environmental considerations by thirty percent.
