Non-provision of the password by the means, stated above, will make tender opening impossible and such tender will not be considered. Despite the submission of tenders in electronic form, the tenderers should submit the same tender proposal the printed (hard) cop by courier (Meest Express, Nova Poshta, DHL, UPS, etc.) no later than 7 calendar days after the deadline for submission of tenders. The printed (hard) copy of the tender shall be the same as the electronic version and the structure of the electronic version of tenders shall correspond to the structure of the printed (hard) copy of the tender. In case of discrepancies between the printed (hard) copy and the electronic version of the tender, the printed (hard) copy of the tender shall prevail. Additional hard copy documents that were not submitted electronically i.e. in pdf or Zip format or in any other protected file that cannot be overwritten, or blocked by a password before the tender proposal submission deadline will not be accepted and considered by the Contracting Authority. The Contracting Authority will review the tender from the tenderers after opening of the tenders, however, the Contract will not be awarded without the availability of the printed copy of the tender. The Contracting Authority shall arrange for an online tender proposal opening procedure on the date and time specified in the Tender Documentation (cl. 25.1) using ZOOM platform, Google Meet, Microsoft Teams, YouTube or any other online media available to the tenderers. The tender opening will be recorded in the Tender Opening Protocol and the recorded document shall be kept for the official use of the Contracting Authority and the Bank. A record of the tender opening will be sent to all tenderers who submitted tenders on time. It will be sent to all parties interested in the tender opening procedure a link to ZOOM, Google Meets, Microsoft Teams, YouTube or any other online link available to the account several days, but not later than 48 hours before the tender opening.
