2.1. Procedură

Titlu: Procurement of technical operational services

Descriere: PURPOSE AND SCOPE The Agency for Sanitation and Recycling in Oslo municipality (hereafter called "REG" or "Contracting Authority") shall enter into a new contract for the procurement of technical operational services. The agreement shall commence 1 May 2026. Further information on the assignment and the requirements for the services that shall be carried out are in Annex 1 Requirement Specification. The contracting authority estimates that the fixed part of the assignment and the estimated need for additional orders have a value of NOK 10,000,000. The contract is subject to spending up to NOK 8,000,000 beyond this, for additional services that are in a natural context the type of services included in the agreement. The maximum value of the agreement is therefore NOK 18 million. The contracting authority draws attention to the fact that the estimated value is based on previous consumption and the expected future need is only a guideline and is without obligation for the Contracting Authority. Parts of the services that will be provided are scheduled assignments, and therefore guaranteed, but the rest depend on the need.
