Titlu: 1-UDE-2024 Dynamic procurement scheme for digital teaching aids in the Schools of Oslo (USE)

Descriere: The objective of the procurement is to enter into an agreement for the procurement of digital teaching aids and teaching resources for the Oslo School. The purchasing system has previously been announced on Doffin/TED and is being re-announced to continue the scheme in Oslo municipality's new KGV. See the attached qualification documentation for further information. The Oslo School has participated in a R&D project together with KS since 2017. the R&D project ends in its current form in summer 2024. In order to achieve autonomy and freedom of methodology in the choice of teaching aids, a use-based payment model is required where schools have access to all products and pay in arrears in accordance with actual use. Digital teaching aids and teaching resources consist of a market that is constantly developing. To a small degree, traditional approaches cover the schools' need for flexible access to a wide range of teaching aids. The aim is also that an overall ecosystem shall make the procurement process of digital teaching aids and learning resources easier for school owners and more in line with the needs of the schools and pupils. The dynamic procurement scheme is for continuous delivery of digital teaching aids (freestanding or as part of teaching aids/learning universe), teaching resources, resource banks (news, pictures, movies, audio, music, etc.), teacher guides, teacher resources, assignment/trial collections and mapping tool with accompanying teacher overview, glosses, etc. that are delivered over the internet ("Software-as-a-service") for teaching purposes. The agreement also includes digital books and installed apps with Feide sign-in for teaching purposes. The diagnostic tool, which requires special competence to use, is not included. Digital services, which only have a functionality for delivering teaching aids that shall be physically implemented, are also not included. The agreement does not include the purchase of services that do not have Feide sign-in, including apps for iPads that are purchased via the App Store/Apple School Manager.
