Abaterea profesională gravă: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Interpretare eronată, nedivulgare de informații, incapacitate de a furniza documentele necesare sau obținere de informații confidențiale referitoare la această procedură: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict de interese care decurge din participarea la procedura de achiziții publice: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Implicare directă sau indirectă în pregătirea acestei proceduri de achiziții publice: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Încetare anticipată, daune-interese sau alte sancțiuni comparabile: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Încălcarea obligațiilor stabilite în temeiul unor motive de excludere pur naționale: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they

are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Încălcarea obligației de plată a contribuțiilor la asigurările sociale: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Încălcarea obligației de plată a impozitelor: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Activitățile economice sunt suspendate: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Faliment: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Concordat: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolență: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Active administrate de lichidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities?
