Tip de procedură: Negociată cu publicarea prealabilă a unei proceduri concurențiale de ofertare / competitivă cu negociere

Procedura este accelerată: nu

Principalele caracteristici ale procedurii: The procurement procedure is conducted as a negotiated procedure. This means that the Contracting Authority, after receiving the tenders, may conduct one or more rounds of negotiations with the participants and may request the submission of additional or revised tenders. Any entity that is not subject to grounds for exclusion and that meets the specified minimum requirements may apply for prequalification. Companies that are prequalified following the prequalification phase of the procedure will be invited to participate in the tender and negotiation phases. It is not possible to submit a tender without having been prequalified. Thus, the Candidate's/Tenderer's submission of application for prequalification, submission of offers and communication with Nordværk during the procurement procedure can only take place via Comdia. In the prequalification phase, Nordværk will conduct a suitability assessment based on the minimum requirements for suitability in section III.1.2) and section III.1.3) of the Contract Notice and the grounds for exclusion in section VI.3) of the Contract Notice. Nordværk expects to prequalify three (3) Candidates. If more than three (3) Candidates fulfils the minimum requirements in section III.1.2) and section III.1.3) of the Contract Notice and is not subject to the grounds for exclusion in section VI.3) of the Contract Notice, Nordværk will select and prequalify the 3 most suitable

Candidates in accordance with the selection criteria as set out in section II.2.9) of the Contract Notice. The prequalified three (3) Candidates will subsequently be invited to submit Initial Offer.

Informații suplimentare: The Contract also includes options and hourly rates as stated in Appendix B.1 as offered by the Contractor. Options and hourly rates including offered prices for these are stated in Contractor's offer. The Purchaser may at any time during the term of contract make use of options and hourly rates at the offered prices. The Purchaser's use of these is by written order directly to the Contractor. Reference is made to the Tender documents /Contract documents for further information. Section 134a of the Danish Public Procurement Act shall furthermore apply as a mandatory ground for exclusion. The Offer must be binding and valid for 3 months calculated from the end of deadline for submission of the Final Offer. The Tenderer is bound by the terms in the Offer until Nordværk has entered into final and binding contract or the validity period has expired. The notification of the award decision does not mean that Nordværk has entered into final and binding contract. A contract is not final and binding until it is signed by both parties, and a contract can only be signed after expiry of the standstill period.

5.1.9. Criterii de selecție

Sursele criteriilor de selecție: Anunț

Criteriu: Raport financiar

Descrierea criteriului de selecție: Nordværk wishes to ensure that the Candidates selected to submit tenders possess the necessary economic and financial capacity to perform the contract in a fully responsible and satisfactory manner in all respects. It is therefore a minimum requirement that:

- The Candidate must have reported positive equity in the most recent 2 available financial years.
- The Candidate must have maintained a solvency ratio ("solidity") of at least 10% in at least two (2) of the three (3) most recent available financial years.

Please note that the Candidate must provide its own financial key figures in its ESPD, i.e. those of the specific legal entity (e.g., the company) submitting the application. If the Candidate relies on the economic or professional capacity of another entity (e.g., a subcontractor), such supporting entity must submit a separate ESPD as well as a Declaration of Support. The Candidate and the supporting entity must together fulfil the minimum requirements. If the Candidate relies on the economic and financial capacity of other entities, the Candidate and the said entities shall be jointly and severally liable for the performance of the contract. In the case of consortia, each consortium member must submit a separate ESPD, and the consortium as a whole must meet the minimum requirements. Nordværk also notes that, where the Candidate is unable to provide the requested documents for a valid reason, the Candidate may demonstrate its economic and financial standing by any other document deemed appropriate by Nordværk. This may, for example, be relevant in the case of newly established companies. As evidence of the Tenderer meeting the minimum requirements for economic and financial standing in section III.1.2) of the Contract Notice, the Tenderer (including entities on whom the Tenderer relies in respect of economic and financial standing), must, at Nordværk's request, provide the following proof of the information stated in the ESPD's Part IV.B: 1. Annual reports or excerpts

hereof if publication of annual reports is required under the law of the country in which the Tenderer is established. Where, for any valid reason, the Tenderer is unable to provide the above proof, the Tenderer may prove its economic and financial standing by any other document which Nordværk considers appropriate.

Criteriu: Referințe despre livrări specificate

Descrierea criteriului de selecție: Nordværk wishes to ensure that the Candidates selected to submit tenders possess the necessary technical and professional capacity to perform the contract in a fully responsible and satisfactory manner in all respects. It is therefore a minimum requirement that:

- The Candidate must submit a minimum of two (2) relevant and comparable references of a nature and scope similar to those described in this tender. The assignments to which the references relate must have been carried out within the past three (3) years calculated from the application deadline. By relevant and comparable references is meant assignments relating to: Design, installation, commissioning, testing, handover and servicing during the defect notification period of boiler feed water pump units for waste-to-energy facilities or industrial plants/power plants. The assignment must be ongoing or completed within the last three (3) years counted from the application deadline. Each reference must include the following information:
- Name of the reference client
- Contact person at the reference client
- Contract value
- Start date (if applicable) and end date of the contract
- Description of the services delivered by the Candidate
- Relevance of the reference to the current contract

The above information must be provided in Part IV, Section C: Technical and professional ability of the ESPD, or in a separate reference list. If a separate reference list is submitted, the ESPD must clearly state "See separate reference list" under Part IV, Section C. Nordværk draws attention to the fact that a minimum of two (2) and a maximum of five (5) relevant references must be submitted. If more than five (5) references are provided, Nordværk will only consider the first five references listed. Nordværk reserves the right to contact the references indicated in the ESPD in order to verify the information provided. Please note that the references will be used both to assess whether the minimum requirement is met and, if relevant, for the selection process. Please note that the Candidate must only include references that relate to the Candidate itself, i.e. the specific legal entity submitting the ESPD. If the Candidate relies on the capacities of other entities (e.g., a subcontractor), such supporting entity must submit a separate ESPD and a letter of support. The Candidate and the supporting entity/entities must together fulfil the minimum requirements. In the case of a consortium, each consortium member must submit a separate ESPD, and the consortium as a whole must meet the minimum requirements. Nordværk intends to prequalify three (3) Candidates to participate in the tender phase, selected from those Candidates who are not subject to any exclusion grounds and who fulfil the established minimum requirements for economic and financial capacity as well as technical and professional capacity. The selection of Candidates will be based on an evaluation of which Candidates that have documented the most relevant references in comparison with the contract being tendered. This evaluation will be made on the basis of the information provided under technical and professional capacity (references). Nordværk will, in assessing which Candidates to prequalify, place equal weight to the following criteria:

- The extent to which the references are comparable to the contract being tendered
- The size, scope, and complexity of the referenced projects
- The extent to which documented experience is demonstrated by relevant types of work within the scope of the tendered contract

Apart from the references provided, no further documentation is required in relation to the minimum requirements for technical professional ability.

Criteriile vor fi utilizate pentru a selecta candidații care urmează să fie invitați în a doua etapă a procedurii

5.1.16. Informații suplimentare, mediere și căi de atac

Organizația responsabilă cu căile de atac: Danish Complaints Board for Public Procurement
Informații privind termenele-limită pentru reexaminare: According to the Danish Complaints Board for Public Procurement Act etc. (the Act can be downloaded at www.retsinformation.dk), the following deadlines for filing a complaint apply: Complaints about not having been selected must be submitted to the Danish Complaints Board for Public Procurement within 20 calendar days, cf. Section 7(1) of the Act, from the day after sending a notification to the candidates concerned about who has been selected, when the notification is accompanied by a statement of reasons for the decision in accordance with Section 2(1)(1) of the Act and Section 171(2) of the Public Procurement Act. In other situations, complaints about tenders, cf. Section 7(2) of the Act, must be submitted to the Complaints Board for Public Procurement within: 1) 45 calendar days after the contracting entity has published a notice in the Official Journal of the European Union that it has entered into a contract. The deadline is calculated from the day after the date on which the announcement has been published. 2) 20 calendar days from the day after the contracting entity has announced its decision, cf. Section 185(2) of the Public Procurement Act. No later than the same time that a complaint is submitted to the Complaints Board for Public Procurement, the complainant must inform the contracting entity in writing that a complaint is submitted to the Complaints Board for Public Procurement and whether the complaint has been submitted during the standstill period, cf. Section 6(4) of the Act. In cases where the complaint has not been submitted during the standstill period, the complainant must also state whether the complaint is to be given suspensive effect, cf. Section 12(1) of the Act. The Complaints Board for Public Procurement's e-mail address is stated in Section VI.4.1). The Complaints Board for Public Procurement's complaint guide can be found at: www.erhvervsstyrelsen.dk.
