The tender project is seeking to appoint a contractor whose initiative and innovation will be welcomed for the provision of cleaning services within the facilities for each school in the Trust. The high-quality service levels proposed, should maintain excellent standards throughout, resulting in a pleasant environment for both the pupils and staff at all schools.

It should be noted that the successful contractor will be expected to bring to the contract: innovation; new equipment; and cleaning methods, with BICSc standards being achieved, as a minimum, thus ensuring that the highest levels of cleanliness are maintained in all areas at all times and also ensuring that the productivity of the cleaning operatives is enhanced moving forward into the new contract term.

The total value of the current cleaning provision across the Trust is GBP 227 090.64 + VAT per annum and therefore the value of the contract over the maximum 5-year term is GBP 1 135 453.20
