2.1. Postup

Názov: Procurement of a framework agreement for the receipt and treatment of mixed trade waste, including container hire

Opis: Oslo municipality c/o the Agency for Sanitation and Recycling (hereafter called the Contracting Authority or REG), invites tenderers to an open tender contest for a framework agreement for the receipt and treatment of mixed commercial waste, including container hire. The Contracting Authority needs to enter into a framework agreement for the receipt and treatment of mixed business waste for sorting from the Schools of Oslo. The contract shall also include the receipt of residue lops. In addition the framework agreement shall cover the need for container hire for needs controlled waste management at the Schools of Oslo. REG shall transport the waste and containers itself. Since this is a two-part need - the hire of containers for sorting waste, and the receipt and treatment of mixed industrial waste, the latter of which makes up the greatest need - it has been decided to divide the procurement into two sub-assignments. - Sub-assignment 1: Receipt and treatment of mixed industrial waste. - Sub-assignment 2: Container hire Tenderers are invited to submit tenders for one or both sub-assignments. The procurement shall contribute to promoting the agency's set aim of waste reduction, reuse and material recovery, in line with the waste hierarchy. The aim of the procurement is to ensure REG a delivery place for and treatment of mixed business waste from the Schools of Oslo, as well as cover the need for the hire of containers for collecting waste. Further information on the need and services/sub-assignments is in Part II, Annex 1.
