2.1.4. Všeobecné informácie

Doplňujúce informácie: Procurement description: Finavia seeks a dedicated restaurant partner to create, deliver and continuously evolve a flagship-level restaurant entity and its business and operational model that will aim to become a defining part of Helsinki Airport's Food & Beverage offering. Flagship-level refers to a concept becoming a well-known and acclaimed destination dining concept. Flagship-level restaurant demonstrates distinctive identity, strong culinary credentials, and high standards of hospitality, and which attracts customers primarily on the merits of its food, beverage, service, and overall experience. The flagship restaurant is centered around a high quality dine-in experience that creates unique moments across customer touchpoints, delivering an elevated atmosphere and a feeling of being cared for before departure. The flagship restaurant entity that is to be created, shall include a combination of restaurant concept(s) / brand(s) specifically created or fitted for the tendered location and for the needs of Helsinki Airport's passengers. The upper floor of the flagship restaurant entity shall be an elevated à la carte restaurant with table service while remaining approachable and avoiding niche or overly exclusive positioning. The lower floor of the flagship restaurant entity shall serve as an elevated but slightly more relaxed all-day food and beverage concept (that might also consist of several concepts or brands) with table service or counter-to-table service while also ensuring the speed of service required in airport environment. Elevated refers to positioning the concept into a upper-scale segment: providing high quality and premium feel and offering a clear uplift to everyday life, while remaining affordable and not becoming overly niche or exclusive. The premises are centrally and visibly located (above; landmark location) next to Schengen gates 28-29 and serve all passengers (international and domestic) with access to the Schengen area of the terminal. The unit must be open to all potential customers without purchasing obligation. The unit shall follow Helsinki Airport's unified commercial opening hours and part of the offering, preferably the lower floor, must be scalable to 24/7 opening hours. Finavia's vision is to offer world-class services for air passengers and airlines. At the heart of our strategy is the development of Helsinki Airport. World class customer experience will distinguish us from our competitors. Our customer promise "For smooth travelling" underlines the vision and is kept by actions lead by customer experience pillars which refers to the desired emotions and experiences of our passengers: GIFT OF TIME CONFIDENCE HAPPINESS FINNISH EXPERIENCE Finavia has a dynamic

long-term strategy for Helsinki Airport, with the vision of creating a consumer-friendly, sustainable, efficient, unique and successful airport. The Operator shall fully support and adhere to this strategy and actively contribute to its successful implementation.
