5.1.9. Kritériá výberu

Zdroje výberových kritérií: Oznámenie

Kritérium: Registrácia v obchodnom registri
Popis výberového kritéria: The tenderer is registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements The tenderer shall be a legally established company. Documentation: Norwegian companies shall submit a company registration certificate from the Brønnøysund Register Centre. Foreign companies shall submit proof that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Kritérium: Iné ekonomické alebo finančné požiadavky
Popis výberového kritéria: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Tenderers are required to have a bankruptcy rating equivalent to B (moderate bankruptcy risk) from Proff Forvalt (Proff AS) or better. Documentation requirement: The contracting authority will use Proff Forvalt (Proff AS) to assess fulfilment of the requirement. Therefore it is not necessary for tenderers to send this documentation. The tenderer is expected to have known registered information about the company in Proff AS. If a tenderer chooses to use a parent company to fulfil the requirement, a parent company guarantee must be enclosed. The contracting authority will then use Proff Forvalt to assess the parent company's bankruptcy rating. If the tenderer (e.g. newly established companies) is not subject to bankruptcy proceedings in Proff Forvalt, the tenderer is asked to enclose other appropriate documentation. This can e.g. be the company's annual accounts or extracts thereof, bank declarations or liability insurance certificates, ref. the Public Procurement Regulations §16-4. If one company will use the capacity of other companies to fulfil the requirements for economic and financial capacity, the contracting authority requires that they are joint and severally responsible for the execution of the contract.

Kritérium: Referencie na špecifikované služby
Popis výberového kritéria: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Tenderers shall have experience from comparable contracts. Comparable assignments means lawyer assistance/consultancy in contract legal questions and questions connected to development contracts. The experience must be from public contracting authorities with comparable complexity and scope to Nordre Follo municipality. Documentation: Description of the tenderer´s up to 3 most relevant contracts in the course of the last 3 years. The description must, as a minimum, include a short description of the assignment, stating the values, dates and recipients of the assignment. It is the tenderer´s responsibility to document relevance through the description.

Kritérium: Opatrenia na zabezpečenie kvality
Popis výberového kritéria: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer´s survey and research facility is as follows: Minimum qualification requirements Tenderers shall have a quality assurance system suitable for the delivery. Documentation: A description shall be enclosed of the tenderer's quality assurance methods. If a tenderer is certified in accordance with ISO 9001 or other relevant quality assurance certifications, it is sufficient to enclose a copy of a valid certificate.

Kritérium: Opatrenia pre environmentálny manažment
Popis výberového kritéria: Tenderers can employ the following environmental management measures in connection with the execution of the contract: Minimum qualification requirements Tenderers shall have an environmental assurance system suitable for the delivery. Documentation: Tenderers shall enclose an account of existing routines. If a tenderer is certified in accordance with ISO 14001 or other relevant environmental certification, it is sufficient to enclose a copy of a valid certificate.
