The contracting authority is utilising an electronic tendering system to manage this procurement and to communicate with economic operators. Accordingly, it is intended that all communications with the contracting authority, including the accessing and submission of tender responses,, will be conducted via eTendersNI. As part of its contract management procedures, the Contracting Authority and their CoPE will use the protocol for managing poor supplier performance contained in Procurement Guidance Note PGN 01/12 – Contract management. Principles and procedures: <https://www.finance-ni.gov.uk/publications/procurement-guidance-note-0112-contract-management-principles- and-procedures>.

The protocol sets out a series of 5 escalating stages to enable contracting authorities and their CoPEs to manage poor performance by suppliers. At Stage 4, as an alternative to terminating the contract, senior management in the contracting authority /CoPE can issue a notice of written warning. At Stage 5, as an alternative to terminating the contract, a notice of unsatisfactory performance can be issued to the economic operator. These notices remain current for the period of time stated in the protocol and an economic operator must declare, in subsequent procurement competitions, if it has received a current notice of written warning, or a current notice of unsatisfactory performance within 3 years of the TSP submission deadline. If an economic operator has received more than 1 current notice of written warning the contracting authority /CoPE, at its discretion, can consider an economic operator's exclusion from future procurement competitions, being undertaken on behalf of bodies covered by the Northern Ireland Public Procurement Policy, for a minimum period of 12 months. If an economic operator is subject to a notice of unsatisfactory performance the contracting authority /CoPE, at its discretion, can consider the economic operator's exclusion from future

procurement. competitions, being undertaken on behalf of bodies covered by the Northern Ireland Public Procurement Policy, for a period of 3 years. A list of these bodies subject to Northern Ireland Public Procurement Policy can be viewed at: <https://www.finance-ni.gov.uk/articles/listpublic-bodies-which-ni-public-procurement-policy-applies>
