5.1.9. Merila za izbor

Viri izbirnih kriterijev: Obvestilo

Merilo: Vpis v trgovski register

Opis merila za izbor: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014 /24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Requirements: Tenderers shall be registered in a company register, professional register or a commerce register in the country where the tenderer is established. Documentation: Norwegian companies: Company Registration Certificate Foreign companies: Certificate that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is registered.

Merilo: Splošni letni promet

Opis merila za izbor: The tenderer's ("total") annual turnover for the number of financial years requested in the tender notice or in the procurement documents is as follows: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to fulfil the contract. Tenderers shall have an annual minimum turnover within the area that the contract applies that exceeds the estimated value of the contract. Documentation requirement: Tenderers shall enclose annual financial statements for the last two financial years, including the board's annual report, income statement, balance sheet, notes and auditor's report. Tenderers shall enclose a credit rating, not older than 3 months, based on the last known accounting figures. The rating shall be carried out by a publicly certified credit rating institution and emphasis will be put on in the evaluation. If a tenderer has a justifiable reason for not submitting the documentation required by the contracting authority, he can document his economic and financial capacity by presenting any other document that the Contracting Authority deems appropriate.

Merilo: Reference o določenih storitvah

Opis merila za izbor: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Requirements: Tenderers (including any sub-suppliers /supporting companies) must have sufficient and relevant experience from planning and engineering design of assignments of an equivalent nature and complexity. This requirement applies to the tenderer's total capacity. 'equivalent nature and complexity' means: For the architect disciplines (ARK, LARK, IARK): Experience from complex public buildings and/or purpose-built buildings (with a transferable value to a health and welfare centre, schools, culture and sports). Experience with urbanism/urban development and the design of public outdoor areas for different user groups. For the consultancy disciplines (selected disciplines; PRL, RiVeg, RiVA, RiG, RIE, RiEn, RiV, RiBr, RiB, RiBFY, RiAKU, RiM): Experience with multi-

disciplinary engineering design management in complex projects, as well as engineering design of buildings, urban areas and infrastructure with high technical and multi-disciplinary complexity. Documentation requirement: Tenderers shall document their experience through an overview of their most relevant reference assignments. To ensure that the references are representative of the offered disciplines, the assignments shall be divided as follows: Architect disciplines: Six reference assignments carried out in the last 10 years shall be submitted. Consultant disciplines: Six reference assignments carried out in the last 10 years shall be submitted. Content is required in the reference description. It is the tenderer's responsibility to document relevance. See document Part 0-1 Competition Rules step 1_Prekvalifisering, chapter 4.1.1 A).

Merilo: Povprečna letna delovna sila

Opis merila za izbor: The tenderer's average annual workforce in the last three years has been as follows: Minimum qualification requirements Requirements: Tenderers shall have sufficient capacity and implementation ability. In order for capacity and implementation ability to be seen as sufficient, the personnel at our disposal must have formal competence and experience that is relevant for the assignment's complexity and size. Tenderers must be able to demonstrate sufficient capacity and implementation ability for the following disciplines: Engineering design management Architectural team (ARK - LARK - IARK) Professional consultants who are seen as necessary for the assignment. Documentation requirement: Tenderers shall document their fulfilment of the qualification requirement through: a prostekst that explains the group's total assembly and how the tenderer will ensure sufficient capacity for the execution of this assignment. Maximum one (1) A4 page (completed Part 0-1-13 MAL - Prostekst capacity and implementation ability) Requirement for format: A4 format, font Arial, point 11, simple line spacing and minimum 2 cm margins, including any shapes and illustrations. Pages beyond this will be delisted and not emphasised in the evaluation. completed Part 0-1-12 MAL - Overview of the tenderer's capacity and implementation ability. See document Part 0-1 step 1_Prekvalifisering, chapter 4.4.2.

Merilo: Delež podizvajanja

Opis merila za izbor: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above. Minimum qualification requirements Documentation requirement: An overview/matrix that states how much of the contract the tenderer is considering putting away to sub-suppliers.

Merilo: Certifikati neodvisnih organov o standardih zagotavljanja kakovosti

Opis merila za izbor: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements Requirements: The tenderer shall have procedures and systems that ensure quality assurance suited to the content of the contract. Documentation: Certificate for the company's quality system/management system issued by independent bodies that confirms the tenderer fulfils certain quality assurance standards, for example ISO 9001:2002. The quality standard shall be based on relevant European standard series, which are certified by accredited bodies. The contracting authority will also accept other documentation for equivalent quality assurance measures if the tenderer is unable to obtain such certificates by the deadline, and this is not due to the tenderer himself. It is a prerequisite that the tenderer documents that these measures correspond to the requested quality assurance standards. As a minimum a general description of the system's

content, including an overview of inspection plans and check-lists that are relevant for this contract, must be presented. In addition a short account shall be provided of the tenderer's routines, such as quality assurance, with emphasis on quality assurance, resource management, management responsibility, manufacturing process and continuous analysis and improvement.

Merilo: Certifikati neodvisnih organov o sistemih ali standardih za upravljanje okolja
Opis merila za izbor: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements Requirements: Tenderers must have procedures to carry out the assignment in an environmentally appropriate manner.
Documentation: Tenderers shall present certificates issued by independent bodies as documentation that the tenderer fulfils certain environmental management systems or standards. E.g. the EU Scheme for Environmental Management and Environmental Audits (EMAS), other recognised environmental management systems in the Regulation (EF) no. 1221/2009 article 45 or other environmental management standards based on relevant European or international standards from accredited bodies. The contracting authority will accept equivalent certificates issued by bodies in other EEA countries (e.g. Eco-Lighthouse, ISO 14001). Other documentation that shows that the tenderer has procedures to carry out the assignment in an environmentally responsible manner. Annex 9 Environmental Statement can also be used. In addition a short account shall be provided of the tenderer's routines and systems in order to ensure a low environmental impact when performing their services. See document Part 0-1 Competition Rules, step 1_Prekvalifisering, chapter 4.4.3.
