Pridržana udeležba:

Udeležba ni pridržana.

Javno naročilo je zajeto v Sporazumu o javnih naročilih: ne

Dodatne informacije: Please consult the document 'User Manual – process Upload Request – Qualification Phase' for more information. A PDF of the request to participate and all requested annexes shall be uploaded on the Coupa Supplier Portal. Each candidate will have to request via procurement@fluxys.com access to the appropriate protected folder on this platform. The requests to participate shall clearly mention the candidate's full name, including the company number, VAT number, full address and legal form. Requests to participate must be structured as follows: 1. Name of Bidder 2. Legal form of company 3. Date of registration 4. Country of registration 5. Registration number 6. VAT number 7. Registered address of company 8. Person(s) authorized to sign contracts (together or alone) on behalf of the company [Sur-name, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...)] 9. Contact person: [Surname, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...), phone number, address, e-mail] 10. Requested information about each above-mentioned selection criterion. Legal form to be taken by the group of economic operators to whom the contract is to be

awarded. 1. Tenders or requests to participate may be submitted by a group of economic operators who will not be required to adopt a particular legal form prior to the award of the contract. A letter of consent between the members of the group should be included in the request to participate and all the information required under the contract notice should be provided for each member of the group. In the case of a joint tender, all members of the group assume joint and several liability to-wards the Contracting Party for the performance of the contract as a whole, i.e. both financial and operational liability. The operators forming a group must designate one of them as a single point of contact (SPOC) towards the Contracting Party for the administrative, financial and operational management of the contract. Furthermore, the operators forming a group should provide information on the role of each member of the group. After the award, the Contracting Party will sign the contract either with all members of the group, or with the SPOC on behalf of all members of the group, authorised by the other members via powers of attorney. 2. In order to prove its economic, financial, technical or professional capacity, an economic operator may rely on the capacity of other entities, whatever the legal nature of the link between itself and those entities. The economic operator must prove to the Contracting Party that the necessary resources will be available to it, by delivering a written undertaking by the other entity to that effect.

5.1.9. Merila za izbor

Viri izbirnih kriterijev: Obvestilo

Merilo: Druge ekonomske ali finančne zahteve

Opis merila za izbor: Proof of the candidate's economic and financial standing may be furnished by one or more of the following references: - the presentation of financial statements or extracts from the financial statements, where publication of financial statements is required under the law of the country in which the economic operator is established; - a statement of the economic operator's overall turnover of the last three financial years available, depending on the date on which the undertaking was set up or the economic operator started trading.

Merilo: Povprečni letni promet

Opis merila za izbor: The candidate must have an average yearly turnover of at least EUR 3.000.000. This criterion applies to the candidate as a whole, i.e. through the combined capacity of all members of the group in case of a group of economic operators.

Merilo: Finančno razmerje

5.1.6. Splošne informacije

Pridržana udeležba:

Udeležba ni pridržana.

Javno naročilo je zajeto v Sporazumu o javnih naročilih: ne

Dodatne informacije: Please consult the document 'User Manual – process Upload Request – Qualification Phase' for more information. A PDF of the request to participate and all requested annexes shall be uploaded on the Coupa Supplier Portal. Each candidate will have to request via procurement@fluxys.com access to the appropriate protected folder on this platform. The requests to participate shall clearly mention the candidate's full name, including the company number, VAT number, full address and legal form. Requests to participate must be structured as follows: 1. Name of Bidder 2. Legal form of company 3. Date of registration 4. Country of registration 5. Registration number 6. VAT number 7. Registered address of company 8. Person(s) authorized to sign contracts (together or alone) on behalf of the company [Sur-name, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...)] 9. Contact person: [Surname, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...), phone number, address, e-mail] 10. Requested information about each above-mentioned selection criterion. Legal form to be taken by the group of economic operators to whom the contract is to be awarded. 1. Tenders or requests to participate may be submitted by a group of economic operators who will not be required to adopt a particular legal form prior to the award of the contract. A letter of consent between the members of the group should be included in the request to participate and all the information required under the contract notice should be provided for each member of the group. In the case of a joint tender, all members of the group assume joint and several liability to-wards the Contracting Party for the performance of the contract as a whole, i.e. both financial and operational liability. The operators forming a group must designate one of them as a single point of contact (SPOC) towards the Contracting Party for the administrative, financial and operational management of the contract. Furthermore, the operators forming a group should provide information on the role of each member of the group. After the award, the Contracting Party will sign the contract either with all members of the group, or with the SPOC on behalf of all members of the group, authorised by the other members via powers of attorney. 2. In order to prove its economic, financial, technical or professional capacity, an economic operator may rely on the capacity of other entities, whatever the legal nature of the link between itself and those entities. The economic operator must prove to the Contracting Party that the necessary resources will be available to it, by delivering a written undertaking by the other entity to that effect.
