II.1.4. Kratek opis

The City and County of Swansea operate a 48-hour pot hole repair project. This requires a proprietary product to be used out of hours in all conditions. The Council recognise the advantage of a one stop fix and all repairs permanent first visit.

This contract is for the supply of a Pot hole repair material for use on the Highway and other public areas in Swansea. The material must be suitable for repair of pot holes, without cut out or compaction and for use in all weather. The manufacturer must be prepared to recommend their use in these circumstances. HAPAS approval for use on the highway is preferred but not essential. Products will be considered outside of their certification. Products that require cutting out, compaction or a dry surface will not be considered. Material must be available in 25Kg bags/tubs in 6mm aggregate. Additional availability in bulk bags would be an advantage. To be delivered to the Highways Dept in Players Industrial Estate Clydach Swansea.
