Opis: The procurement of a digital cleaning programme is a procurement of cloud services. The environmental impact will mainly be energy used for providing the service. The procurement requires that the share of operation of the cloud service providing the service to Hammerfest municipality operates with renewable energy. The requirement means that the environmental effect in the procurement will have a clearly better effect than emphasis on climate and environmental considerations in the award criteria by 30%. In this procurement, therefore, the award criteria with climate and environmental considerations, as the requirements in the requirement specifications provide a clearly better climate and environmental effect than would be achieved with award criteria that weight climate and environmental considerations by 30%.
