2.1. Postopek

Naslov: Procurement of management and organisation development 2026

Opis: AtB AS ("the Contracting Authority") is a mobility company that is responsible for planning, coordination, marketing and the procurement of scheduled public transport and the development of new mobility in Trøndelag. AtB is not a supplier company itself, but purchases transport services from several supplier companies that carry out the daily operations. The company is owned 100% of Trøndelag county. Ticket prices are determined by Trøndelag county and the main financing sources for AtB are grants from the county in addition to ticket revenue. For further information, see the www.atb.no. Any questions are to be sent in writing through the tender management tool Merccell in order to ensure audit tracks and security for both the Contracting Authority and tenderers. Enquiries from the press shall be directed to the department head of communication and operations at AtB, Grethe Opsal, on mobiles: +47 924 71 195, or email: grethe.opsal@atb.no.

Identifikator postopka: 174e8dea-c435-41a2-958c-19cdbbde83aa

Notranji identifikator: 26/00085

Vrsta postopka: S pogajanji, s predhodno objavo javnega razpisa / konkurenčni postopek s pogajanji

Postopek je pospešen: ne

Glavne značilnosti postopka: The procurement is for the establishment of a new framework agreement for management and organisation development in AtB. The aim of the procurement is to enter into cooperation with one (1) tenderer who can assist with the development of managers, teams and organisation that shall support AtB's ability for strategic management, change and implementation. The contract will be regulated by SSA-R with annexes. The contracting authority will make call-offs with SSA-B. The contract is valid from when the contract is signed and it has a duration of four years. The contracting authority has a unilateral option for 1 year + 1 year + 1 year + 1 year. The maximum contract length is 8 years. The estimated value of the framework agreement is NOK 1 million per annum. At the maximum contract length, the estimated value is NOK 8 million. The maximum total value of the framework agreement is NOK 12 million due to the expected price growth in the period as well as unforeseen events that may require more frequent use of the service. The estimate is based on best procurement judgement. See the tender documentation for more information on the procurement.
