:

After the competition notice on Doffin 22 May 2026 and on TED 28 May 2026, SPK would like to make a minor change in the price model. The change is about taking out the consultancy categories "expert" and "consultant" from the price evaluation as these are categories that the tenderer does not have a delivery obligation for. The consultant category listed for price evaluation under service area 3 Other procurement services have been changed to a consultant/resource as the resource for this service area does not require the resource to be a consultancy category 'senior consultant'.
