Economic operators apply once to qualify onto the panel by providing details of their financial and technical capacity against predefined published Selection Criteria within a PQQ. The Qualification Panel for the Purchase and or Lease of Buses and Coaches will be broken down in to sub categories called Lot 1 – Purchase of Buses and Coaches Expressway, and Lot 2 – Lease of Buses and Coaches Expressway, Lot 3 - Purchase of School Buses and Coaches, Lot 4 - Lease of School Buses and Coaches, Lot 5 - Purchase of single or double deck city bus type vehicles and Lot 6 - Lease of single or double deck city bus type vehicles. Economic operators can apply for the Lot(s) that best reflect their commercial operations. Economic operators must complete a PQQ for the Lot(s) that they wish to qualify to. Only economic operators who satisfy the selection criteria of each individual Lot will qualify on to that Lot. After the initial advertisement, the panel must be advertised annually for the duration of the panel (5 years) to continually inform the market place of its

existence. Economic Operators can apply to qualify on to the panel, throughout the duration of the panel. Economic Operators who are already qualified to the panel can also amend their application at any interval should their financial or technical capacity or capability change. Qualifying onto a panel does not guarantee any work and/or contracts to a supplier. There is no obligation to use the Qualification Panel and contracts can be advertised on an individual basis using the Negotiated Procedure. (Annual Readvertisement 3/8 - Amended)
