5.1.9. Merila za izbor

Viri izbirnih kriterijev: Obvestilo

Merilo: Vpis v trgovski register

Opis merila za izbor: Requirement: Tenderers shall be registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Documentation requirement: Norwegian companies: Company Registration Certificate Foreign companies: Verification that the tenderer is registered in a company register, professional register or commerce register in the country where the tenderer is established. The documentation must be translated into Norwegian if it cannot be presented in Swedish, Danish or English.

Merilo: Druge ekonomske ali finančne zahteve

Opis merila za izbor: Requirement: The tenderer shall have sufficient economic and financial capacity to be able to fulfil the contract. Sufficient means that the tenderer is credit worthy and rated A or higher in accordance with Bisnode AS with the service RiskGuardian Suite.

Documentation requirement: The contracting authority will obtain information itself and assess the tenderer's finances through the company and accounting information system Bisnode AS with the service RiskGuardian Suite. If a tenderer has economic and financial capacity that is not in the rating report, the tenderer shall document this. Based on this, the contracting authority will decide whether the requirement is met. Tenderers can enclose other necessary information in the tender if the tenderer believes that the Bisnode rating does not provide a correct picture of the financial situation. Foreign companies and newly established companies that have not built up a basis for credit rating must enclose a declaration from a bank or similar financial institution regarding the company's economic and financial capacity. If the tenderer has valid reasons for not submitting the documentation requested by the contracting authority, the tenderer can prove its economic and financial capacity with any other document the Contracting Authority deems suitable.

Merilo: Reference o določenih dobavah

Opis merila za izbor: Requirement: Tenderers shall have experience with a minimum of one comparable contract. Comparable assignments means the delivery of compound IT systems (a system that consists of several technical components, modules or services that work together to provide a general function) with integrations towards external registers, such as customer and product registers. Documentation requirement: Description of the tenderer's up to three, but a minimum of one comparable contract in the last three years. The description must include a statement of the contract's value, length, size/scope with technical components and integrations, dates and recipients. It is the tenderer's responsibility to document relevance through the description.

Merilo: Ukrepi za zagotavljanje kakovosti

Opis merila za izbor: Requirement: The tenderer shall have a quality assurance system suitable for the delivery's complexity, risk and aim. Documentation requirement: Description of the tenderer's quality assurance methods. If a tenderer is certified in accordance with ISO 9001 or equivalent quality assurance certifications, it is sufficient to enclose a copy of a valid certificate.

Merilo: Druge ekonomske ali finančne zahteve

Opis merila za izbor: Requirement: Tenderers shall have their tax and VAT payments in order. Documentation requirement: A certificate showing paid VAT, taxes and social security contributions is required. Certificate issued by the competent authority in the member country, confirming that the tenderer has fulfilled his VAT, tax and social security obligations in the country where the tenderer/contractor belongs (Norwegian tax and VAT certificate is common and can be ordered from altinn.no, RF-1507, previous RF-1244) in accordance with the legal provisions in the country. The certificate must not be more than six months old.
