5.1.9. Merila za izbor

Viri izbirnih kriterijev: Obvestilo

Merilo: Finančno razmerje

Opis merila za izbor: The applicant must confirm the economic ability in the ESPD part IV.B with information from the latest annual report regarding the following economic indicators: 1. Equity (total equity incl. share capital, reserves, revaluation, retained earning etc.) 2. Equity ratio (equity/total assets). This must be stated with two decimals. If the applicant relies on the capacities of other entities or the applicant is a group of economic operators the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities. It is the sole responsibility of the applicant to secure that the minimum requirements are reached based on consolidation when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators. Minimum requirement: Equity from the latest annual report must, at the time of prequalification, be at least 1.25 mio. EUR. Equity ratio from the latest annual report must, at the time of prequalification, be at least 20 pct.

Merila se bodo uporabila za izbiro kandidatov, ki se povabijo k sodelovanju v drugi stopnji postopka

Merilo: Reference o določenih storitvah

Opis merila za izbor: The suitability of applicants fulfilling the minimum requirements to economic and financial standing will be assessed based on technical and professional ability. The ability will be assessed based on references which can be filled in ESPD part IV.C. The applicant is allowed to submit up to 2 most comparable and relevant references undertaken in the past 3 years as part of the application. By "undertaken in the past [3] years" implies that the reference must not have been completed prior to the date reached when counting 3 years backwards from the submission date for prequalification. References older than this will not be taken into consideration. References which have not yet been fully completed can be included as part of the application, however the applicant must describe the parts which have not yet been delivered, and this may affect the evaluation of the application, cf. section 2.3. The references should describe [insert overall description of the purchase], and include: • A specific description of the work performed for each reference, including: • Contract value (if possible) • Contact information for the entity in question (including contact person) • Date of initiation and final delivery (day, month, year) Any ambiguities and/or incomprehensibilities may have a negative effect on the selection of applicants. Please note the "description" box in ESPD part IV.C. can contain more text than is visible and it is possible to copy paste text into the box. If the applicant is relying on the capacity of other entities or the applicant is a group of economic operators the maximum number of references to be submitted must still be respected and cannot exceed 2 when combined. If more are submitted, the Contracting Authority will only consider the most recent references determined by date of final delivery, in this case not yet finished references will not be included. If the applicant relies on other entities capacity or is part of a group of economic operators the information concerning ESPD part IV. C must be submitted in separate ESPD's for each entity. Minimum requirement: It is a minimum requirement that the applicant has prior experience with procurement of energy on a power exchange.

Vrsta: Kakovost

Ime: Quality of the Trading Service

Opis: For the purpose of the evaluation of this sub-criterion, the tenderer shall submit: 1. A completed Appendix 2 – Requirements. 2. A completed Appendix 5 – Service Description, containing a detailed description of the proposed service delivery in the relevant sections of Appendix 5. 3. A preliminary version of Appendix 6 – REMIT Compliance Handbook, describing the tenderer's envisaged REMIT compliance set-up for the services where Contracting Authority's BRP is used. Requirements marked "R" are regular requirements that may be fulfilled by the Supplier and will be evaluated accordingly. The evaluation of the sub-criterion "Quality of the Trading Service" will be based on an overall assessment of the tenderer's completed requirement matrices and the descriptions submitted in Appendix 5 and Appendix 6. The evaluation will assess the extent to which the tenderer demonstrates a robust, effective and operationally mature service delivery that fulfils the regular requirements in Appendix 2. In the overall assessment, Contracting Authority will in particular place emphasis on: · Data handling and settlement, including the quality, reliability and traceability of data exchange, trade logging, settlement documentation, and performance reporting. (Appendix 2, chapter 2 and 4, and Appendix 5, Section 2, 4 and 5). · Trading strategy and continuous optimisation, including the tenderer's approach to achieving the best possible trading price within the applicable regulatory framework and the specified minimum and maximum prices, while seeking to trade the requested volumes. This includes the proposed use, monitoring and adjustment of trading algorithms, if applicable. (Appendix 2, chapter 3, and Appendix 5, section 3). · REMIT compliance, including the quality and completeness of the tenderer's proposed REMIT compliance set-up, covering governance and compliance resources, algorithm development and operation where applicable, REMIT reporting, audit and transparency, and the allocation and handling of Contracting Authority's REMIT-related obligations. (Appendix 6). A high score will be awarded where the tenderer provides descriptions that are specific, coherent, credible and adapted to Contracting Authority's service and operational context, and which demonstrate a high degree of fulfilment of the regular

requirements as part of the tenderer's standard solution. A tender must receive at least 4 points for the qualitative sub-criteria, "Quality of the Trading Service". Otherwise, the tender will not be considered for award.
