2. Postopek

2.1. Postopek

Naslov: NRK 2026/37 Contract for travel agency services for NRK-Qualification Application [Stage 1]

Opis: The aim of this procurement is to ensure access to competent service within travel agency services by entering into an exclusive service contract, which facilitates centralised travel agency services for NRK's total activities domestic and abroad. NRK attaches great importance to the fact that the new agreement shall ensure a continued high degree of self-ordering. It is therefore important that NRK's travel agency has user-friendly systems for self-booking. This procurement replaces procurement NRK 2025/314, which was cancelled due to an error not being published in accordance with the EEA threshold (only in the Norway via Doffin). In addition to changes related to the implementation of the new competition, there are also new imposed requirements for the use of apprentices as a part of the contract.

Identifikator postopka: bd6e5961-87c9-4a76-9446-bded7e8fed3

Notranji identifikator: 2026/37

Vrsta postopka: S pogajanji, s predhodno objavo javnega razpisa / konkurenčni postopek s pogajanji

Postopek je pospešen: ne

Glavne značilnosti postopka: In addition to individual journeys in service, NRK also needs coordination of journeys for small and large groups of varying lengths and scope for units in NRK within administration/staff, sports, drama, news and entertainment. An important part of the travel agency's service will therefore be to help NRK with the most efficient planning, booking, coordination and execution of this travel business. The safety aspect is very important for NRK, and NRK's travel agency shall therefore have routines for unsolicited to provide information on where employees on official journeys are at all times, and actively be able to assist the individual and NRK if unfortunate incidents occur. As a result of NRK defining the contract as a service contract, it is a condition that a fixed price agreement will form the basis for calculating compensation for ordinary travel agency services for individual journeys, and not service fees per assignment etc. For courses, conferences and complicated group journeys, the travel agency can still calculate fees per assignment.
