NB - Does Not cover indexation

Contract Duration: Extension of time by 12 months

VII.2.2. Skäl till ändring

Behov av ändring som uppstått till följd av omständigheter som en omdömesgill upphandlande myndighet inte kunnat förutse (artikel 43.1 c i direktiv 2014/23/EU, artikel 72.1 c i direktiv 2014/24/EU, artikel 89.1 c i direktiv 2014/25/EU)

Beskrivning av de omständigheter som nödvändiggjorde ändringen och förklaring till dessa omständigheters oförutsedda karaktär:

Contract Value: This contract has been affected by additional work requirements subsequent to its commencement in 2016 that could not have been foreseen, including funding for LED retrofitting, public realm works and enhancing streets and sites within council areas. Contract Value increased from £9,000,000 to £14,400,000. Contract Duration: The contract period has been extended, it was extended initially by 6 months beyond the contract term due to Covid-19 workload restriction. A further 6 months extension has been given as the Covid-19 pandemic continues to have an impact on the ability of DfI to develop tender competitions and the roads construction industry to respond to tender opportunities.

VII.2.3. Prisökningar
