Titel: 26/00274 Framework agreement for the procurement of services in sound and engineering - The Norwegian Health Network

Beskrivning: The Norwegian Health Network SF (the contracting authority) needs to enter into a framework agreement for services within Sound and Engineering. The contracting authority plans for gatherings, meetings and conferences with several participants and of high quality. The events will be held in different places in the country, mainly in Oslo, Trondheim and Tromsø. Some gatherings will be carried out in our own premises where the technical framework is in place, but where we can, however, need personnel or equipment supplements. In other cases the events will be held in external premises, e.g. hotel/conference /course premises, where in some cases there will be a need for full delivery of sound, lighting technique and personnel. This will depend on the chosen location and which facilities are available for the contracting authority. A framework agreement shall be signed with two tenderers, see Annex 2 for Procedures for awarding contracts within the framework agreement. Förfarandets viktigaste kännetecken: The Norwegian health network is planning for gatherings, meetings and conferences with more participants and higher quality than in the past. The aim of the procurement is to cover our need for the following: - Audio engineering - Lighting engineering - Stage equipment - AV-technics- Presentation and video playing - Personnel for set up/rigging of equipment Arrangements will be held in different places in the country. Some gatherings will be carried out in our own premises where the technical framework is in place, but where we can, however, need personnel or equipment supplements. In other cases the events will be held in external premises, e.g. hotel/conference /course premises, where in some cases there will be a need for full delivery of sound, lighting technique and personnel. This will depend on the chosen location and which facilities are available for the contracting authority. The need is continuous, but based on statistics we have on average approx. 8 collections in total per annum. The tenderer shall coordinate and deliver engineering in cooperation with the Contracting Authority's gender neutral preferred. The

estimated value of the framework agreement is NOK 1,000,000 excluding VAT. NOK 6,000,000 including options, indexation of price. The maximum value of the framework agreement is nok 500,000,000. 7 200 000,-
