Titel: Purchase of electric Zero-Turn sitting grass mowers

Beskrivning: The aim of the procurement is to ensure efficient and cost efficient maintenance of the contracting authority's green areas, at the same time that the municipality implements the transition from fossil driven to electric lawn mowers. The contract is for the procurement of four electric Zero-Turn sitting grass mowers for the graveyards in Oslo municipality, including the necessary number of batteries and chargers. Please note that the estimate is only a guideline and is without obligation for the Contracting Authority. The number of mowers procured will depend on whether the offered price is compatible with the contracting authority's budget. In addition there is an option for the procurement of up to 6 lawn mowers, twice the set of removable and rechargeable batteries, as well as the required number of chargers. The stated meaning represents the maximum extent of the options. The contracting authority reserves the right to trigger the options completely or partly and is not obliged to use the full extent of the option. We would like all vehicles to be delivered as soon as possible after the contract has been signed, and at the latest by 15 September 2026 so that the Contracting Authority's employees have sufficient training and that the equipment is ready for use as soon as possible. The contract has an estimated extent of NOK 2,500,000 excluding VAT.

5.1.9. Urvalskriterier

Källor till urvalskriterier: Meddelande

Kriterium: Registrering i ett handelsregister

Beskrivning av urvalskriterium: The tenderer shall be a legally established company.

Documentation requirements: Norwegian companies: Company Registration Certificate.

Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Kriterium: Andra ekonomiska eller finansiella krav

Beskrivning av urvalskriterium: The tenderer shall have sufficient economic and financial capacity to be able to fulfil the contract. Documentation requirements: The company's last

Annual Financial Statements including notes, the Board's Annual Report and Audit Report, as well as new information of relevance to the company's fiscal numbers. The contracting authority reserves the right to obtain credit appraisal on its own initiative. If a tenderer has a justifiable reason (e.g. newly started company) of not submitting the documentation that the Contracting Authority has required, he can document his economic and financial capacity with any other document that the Contracting Authority deems suitable.

Kriterium: Miljöledningsåtgärder

Beskrivning av urvalskriterium: Tenderers are required to have implemented environmental management measures that ensure that the tenderer is suitable to fulfil the contract's environmental provisions (see contract point 11.2). This means that the tenderer has methods for working actively and systematically to reduce negative environmental impact from activities connected to the execution of this contract. Documentation requirements: A description of the tenderer's environmental management measures. If a tenderer has certificates from independent bodies that document the environmental management system, they can be presented as documentation. Refer to the EU Scheme for Environmental Management and Environmental Audit (EMAS), other recognised environmental management systems in regulation (EF) no. 1221/2009 article 45, or equivalent, and other environmental management standards based on relevant European or international standards from accredited bodies such as ISO 14001 or equivalent.
