Allvarligt fel i yrkesutövningen: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Har lämnat oriktiga uppgifter, har undanhållit information, kan inte förete de handlingar som krävs eller har tillägnat sig konfidentiell information om förfarandet: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Intressekonflikt på grund av deltagande i upphandlingsförfarandet: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direkt eller indirekt deltagande i förberedelserna av detta upphandlingsförfarande: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Förtida uppsägning, skadestånd eller andra jämförbara sanktioner: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Åsidosättande av skyldigheter som fastställts enligt nationella uteslutningsgrunder: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they

are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Åsidosättande av skyldigheten att betala sociala avgifter: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Åsidosättande av skyldigheten att betala skatter: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Avbruten näringsverksamhet: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Konkurs: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

5.1.10. Tilldelningskriterier

Kriterium:

Typ: Pris

Namn: Price

Beskrivning: Lowest total price. The discount shall be the same within each category. The dated gross price list in spreadsheet format shall be enclosed with the tender and it shall include all the product categories stated in the price form. Documentation: Prices shall be given excluding VAT under the tab "products" in Mercell.

Kategori av tilldelningskriteriet vikt: Viktning (procentandel, exakt)

Sifferangivelse för tilldelningskriterium: 50

Kriterium:

Typ: Kvalitet

Namn: Quality

Beskrivning: The contracting authority will carry out an overall assessment of the following points (1-3): 1. Fulfilment of the price and product form: The price and product form states the contracting authority's desired qualities and execution for work wear, protective clothing, rainwear, shoes and protective equipment. The contracting authority will assess the tenders based on the degree of fulfilment. 2. Fulfilment of the following minimum requirements: We would like the offered sizes of shoes, work clothes and protective clothing beyond the upper and lower minimum limits. 3. We are expected to offer both men's and men's sizes for safety reasons. Tenderers must prove the reason if unisex is offered. 4. We would like tenderers to deliver shoes and protective shoes with narrow, normal and broad reading. Tenderers will provide information on this in the tender if available. The tenderer's response will be assessed and given points based on the following scale: fulfils requirements to a very small degree - 1 point fulfils the requirements, but with significant shortcomings - 2 points fulfils the requirements, but with some shortcomings - 3 points fulfils requirements - 4 points fulfils the requirements well - 5 points fulfils requirements very well, preferably above expectations - 6 points The points will be normalised. The best tender will get 10 points and therefore no price mark-up for this criterion. Tenderers who do not get the best score on the criterion will receive a price mark-up. Tender prices can be simulated in the "simulation file" available for downloading in Mercell. Documentation requirement: A combined pdf file with a product description and pictures of all the offered products shall be enclosed in the same order as the price and product form. The description shall as a minimum contain the following information: Information on whether it is a women's, men's or unisex product. Indicate whether shoes /protective shoes are delivered in a narrow, normal or wide reading. Textile composition Washing instructions Sizes Certifications Unique id Documentation that the size is in accordance with part 3 in NS-EN 13402 Size designation of clothing Environmental marking with valid license number Marking scheme mulesing It is the tenderer's responsibility to submit sufficient documentation so that the contracting authority can carry out a correct evaluation of the tenders. The contracting authority can reject tenders that include uncertainties if these uncertainties must not be seen as insignificant. The contracting authority is not obliged to request supplementary documentation. Tenderers refer to a separate annex that is uploaded under the tab "Dokumenter" in Mercell.

Kategori av tilldelningskriteriet vikt: Viktning (procentandel, exakt)

Sifferangivelse för tilldelningskriterium: 35

Kriterium:

Typ: Kvalitet

Namn: Environment

Beskrivning: The score will be determined based on the portion of products with documented environmental properties. The tenderer with the highest score will get 10 points on the criterion. The other tenders will get a score calculated after percentage deviations from the best score. The contracting authority gives a full account of work wear that is marked with the Swan Ecolabel and the EU Blomsten. Other marking schemes will give a lower rating, if the environmental labels are assessed as less relevant or comprehensive. Øko-Tex Standard 100 gives 25 % value compared to the Swan Ecolabel and the EU Flower. The EU Ecolabel or the Swan Ecolabel on components/materials gives 25 % value. Equivalent marking schemes will also be paid, but the tenderer must prove that the marking scheme is equivalent. Tenderers who offer other brands will have the legal responsibility to document that their environmental label can be seen as equal/equivalent with the marks specified above. When calculation of points on this criteria, the amount of the relevant products will be multiplied by volume (number). For products where documentation is not enclosed, invalid licences or labelling schemes are given, based on self-declarations that must not meet the environmental minimum requirements, no payment will be given. Documentation requirement: In the column

"Miljømerke" in the price form, the environmental label each product has, as well as a valid licence number, shall be filled in. If the product does not have a license number, a valid certificate/licence certificate must be enclosed.
