5.1.9. Urvalskriterier

Källor till urvalskriterier: Begäran om europeiskt enhetligt upphandlingsdokument,
Upphandlingsdokument, Meddelande

Kriterium: Registrering i ett handelsregister

Beskrivning av urvalskriterium: The tenderer is registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Kriterium: Andra ekonomiska eller finansiella krav

Beskrivning av urvalskriterium: Regarding any other economic and financial requirements stated in the notice or in the procurement documents, the tenderer declares that: The tenderer shall have sufficient economic and financial capacity to fulfil the contract. Tenderers must achieve a minimum rating of creditworthy. Norwegian companies: As documentation, the Contracting Authority will obtain a Commercial Delphi Score from Experian. Tenderers must achieve a minimum rating of "Credit worthy", i.e. the tenderer must be in risk class 5 or higher on experians scale. Tenderers are required to have made aware of registered information about the company and agree by submitting the tender to the fact that the information is collected and used as a basis for assessing none of the tenderer's financial conditions. When submitting their tender offer, the tenderer can enclose a credit rating from a certified credit rating company showing that the tenderer fulfils the requirement. The credit rating shall be based on the last available accounting system and it shall be carried out by a company with licence to carry out credit information activities. If a tenderer has a justifiable reason for not submitting the documentation required by the contracting authority, he can document his economic and financial capacity by presenting any other document that the Contracting Authority deems appropriate. Foreign companies: Tenderers are requested to enclose a credit rating from a certified credit rating company that shows that the tenderer fulfils the requirement. The credit rating shall be based on the last available accounting system and it shall be carried out by a company with licence to carry out credit information activities.

Kriterium: Miljöledningsåtgärder

Beskrivning av urvalskriterium: Tenderers are required to have a well-functioning environmental management system, adapted to the contract's nature and extent. As documentation, the tenderer shall present a certificate issued by a competent independent

body that documents that the tenderer fulfils the requirements of an environmental management system such as EMAS, ISO 14001, Miljøfyrtårn or equivalent. Certificates issued by competent bodies established in other EEA states are accepted when the tenderer documents that the scheme is equivalent to the above mentioned environmental management systems. The contracting authority will accept other documentation for equivalent environmental management measures if the tenderer cannot obtain such certificates by the tender deadline, and this is not due to the tenderer himself. It is a prerequisite that the tenderer documents that these measures are equivalent to the requested environmental management systems or standards.
