Title: CPH City & Port I/S' (Udviklingsselskabet By & Havn I/S') public procurement procedure concerning supply and installation of a 138/30 kV - 55 MVA - Power Transformer

Description: This tender procedure concerns supply and installation of a 138/30 kV – 55MVA – Power Transformer to connect CPH City and Port's new shoreside power system to the local grid and thereby utilize the full capacity of the purchased shoreside power system. The project includes the design, supply, and installation of a 138/30 kV – 55 MVA – Power Transformer in accordance with the specifications provided by the customer. The Power Transformer will supply power from the local energy grid to the shore power system for cruise ships calling at both Océankaj in Nordhavn and Langeliniekaej in Copenhagen Inner Harbour. The project includes finalizing of design into a complete execution project, including Design Management and ICT management in accordance with the requirements provided by the customer, and supply and install of all necessary parts of the finalization of a Power Transformer adhering to the functional requirements.

Procedure identifier: bb6b1041-9558-47dd-b167-186399789818

Internal identifier: 2025/02

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The Tender Procedure will be implemented as an open procedure pursuant to Directive 2014/25/EU of the European Parliament and of the Council of 26 February 2014 (Utility Directive) as implemented by the Consolidation Act no. 1624 of 15 December 2015. The procurement procedure is carried out according to the Utility Directive. It follows from the Consolidation Act that several sections in the Danish Public Procurement Act (Act no. 10 of 6 January 2023) also apply to procurement procedures pursuant to the Utility Directive. When reference is made in the following to sections in the Danish Public Procurement Act, this is done in accordance with the Consolidation Act stated. The Contracting Authority will award the Contract on the terms and conditions set out in the draft Contract to the most economically advantageous tender based on the criteria 'best price-quality ratio'.

### **2.1.1. Purpose**

### **2.1.4. General information**

Additional information: The Contracting Authority will exclude economic operators who are covered by one or more of the voluntary grounds for exclusion in section 137(1), number (2) or (6) of the Danish Public Procurement Act. As documentation of the fact that the tenderer is not subject to the grounds for exclusion, the Contracting Authority will accept the following: • An extract from the relevant register or a similar document issued by a competent judicial or administrative authority stating that the candidate or tenderer is not subject to the grounds for exclusion stipulated in section 135(1). • A certificate issued by the competent authority in the country referred to as documentation that the candidate is not subject to the grounds for exclusion stipulated in the cases stated in section 135(3) and section 137(1)(2 or 6). If the country in question does not issue the documents or certificates, or if such documents or certificates do not cover all the cases mentioned in section 135(1) or (3) and section 137(1)(2 or 6), those documents or certificates can be replaced by a statement provided on oath. If statements on oath are not provided for in the relevant country, a solemn declaration made before a competent judicial or administrative authority, a notary or a competent professional organisation in the country in which the tenderer is registered can be applied. For tenderers registered in Denmark, this documentation can be in the form of a service certificate issued by the Danish Business Authority on request. This also applies in case the tenderer has foreign members in the board, management or supervisory committee. For tenderers registered outside Denmark, please be aware of the listed relevant documentation in e-certis, which will be sufficient: <https://ec.europa.eu/growth/tools-databases/ecertis/>. The Contracting Authority will accept sufficient documentation from national authorities in the national language. The Contracting Authority requests this documentation to be unofficially translated into English. Documentation must not have been issued earlier than 6 months prior to the deadline of submission of tender. As documentation that the tenderer meets the requirements for suitability, the tenderer will be asked to submit: • Audited annual accounts or extracts thereof, showing the tenderer's annual turnover, equity and solvency ratio in the past three (3) most recently completed and audited financial reports at the deadline of submission of the tender. • Contact information for the contact person(s) of the customers that the tenderer has provided as references in the ESPD, if these do not appear in the ESPD. The tenderer may document its fulfilment of the minimum requirements for economic and financial standing by any other document that the Contracting Authority deems appropriate if the tenderer for a valid reason is unable to submit the above documents or is unable to document one or more of the minimum requirements by the audited annual accounts. In addition, the tenderer is not obliged to provide documentation for information that the Contracting Authority can obtain itself in a national database. In this case, however, the tenderer must state where this documentation

can be found. If the tenderer is a group of economic operators (e.g. a consortia), documentation in relation to both grounds for exclusion and suitability must be submitted for each of the entities in the group. If the tenderer relies on the economic and financial standing and /or technical and professional ability of one or more entities, documentation for reasons of exclusion and relevant documentation of suitability must also be submitted for each of the supporting entities.

As defined in Article 2 of Directive 2011/36/EU of the European Parliament and of the Council of 5 April 2011 on preventing and combating trafficking in human beings and protecting its victims, and replacing Council Framework Decision 2002/629/JHA (OJ L 101, 15.4.2011, p. 1).

Insolvency: Is the economic operator the subject of insolvency or winding-up? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

Assets being administered by liquidator: Are the assets of the economic operator being administered by a liquidator or by the court? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

Guilty of misrepresentation, withheld information, unable to provide required documents and obtained confidential information of this procedure: Can the economic operator confirm that: a) It has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, b) It has withheld such information, c) It has not been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and d) It has undertaken to unduly influence the decision making process of the contracting authority or contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award?

Purely national exclusion grounds: Can the economic operator confirm that it has not been established in a country that is included in the EU list of non-cooperative tax jurisdictions and has not acceded to the WTO's Government Procurement Agreement or other trade agreements that oblige Denmark to open the market for public contracts to economic operators established in the country in question?

Conflict of interest due to its participation in the procurement procedure: Is the economic operator aware of any conflict of interest, as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure?

Direct or indirect involvement in the preparation of this procurement procedure: Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure?

Guilty of grave professional misconduct: Is the economic operator guilty of grave professional misconduct? Where applicable, see definitions in national law, the relevant notice or the procurement documents.

Payment of social security contributions: Has the economic operator breached its obligations relating to the payment social security contributions, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment?

Business activities are suspended: Are the business activities of the economic operator suspended? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

Payment of taxes: Has the economic operator breached its obligations relating to the payment of taxes, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment?

Terrorist offences or offences linked to terrorist activities: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002, p. 3). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision.
