1. Buyer

1.1. Buyer

Official name: Transport Infrastructure Ireland (TII)

Email: Paul.Farrelly@tii.ie

Legal type of the buyer: Body governed by public law, controlled by a central government authority

Activity of the contracting authority: General public services

Activity of the contracting entity: Urban railway, tramway, trolleybus or bus services

2. Procedure

2.1. Procedure

Title: TII391_M140/M150_Uilities Framework for MetroLink

Description: MetroLink will provide a high speed, high capacity, high frequency, modern and efficient public transport service for passengers travelling along the Swords/Airport to City Centre corridor in Dublin, which will be capable of integration with other modes of public transport. Further information on MetroLink is available at www.metrolink.ie/ In advance of the MetroLink main infrastructure works contracts, TII will commence the procurement of the Enabling Works Programme. The Enabling Works Programme comprises the establishment of a suite of frameworks and qualification systems to facilitate the procurement of enabling works which will commence in advance of the main infrastructure works contracts (Civil Engineering, tunnelling and stations) and are designed to clear a path for the main infrastructure works contracts. This approach will ensure that the site areas are free from risks such as existing utilities, archaeology, heritage items (for storage/replacement) and buildings currently occupying station locations etc. to the largest extent possible. To deliver the enabling and advance works for MetroLink, TII intends to establish 3 no. multi-party frameworks as listed below through a negotiated procedure procurement. • Enabling Works and Specialist Heritage Works Framework • Utilities Framework • Civils Enabling Works Framework This PIN is in connection with the Utilities Framework. The purpose of this PIN is to alert the market to TII's intention to undertake market consultation and subsequently commence a procurement, within the next 3 months from the date of publication of this PIN. It is anticipated that the prequalification documentation will be issued in Q3 2025 with the instructions to tenderers issued in Q4 2025. TII intends to utilise the NEC4 Engineering Construction Contract (ECC) form of contracts for call offs placed under this framework. Interested parties can register their interest at <https://www.etenders.gov.ie>. Any interested parties wishing to respond to the market consultation in advance of procurement commencement, are required to send a request to the following email address supplychainmetrolink.ie by 12:00hrs on the 20th May 2025 seeking to be issued with a copy of the briefing pack for review and completion of the questionnaire contained within the pack. The questionnaire is required to be completed in full and returned by the closing date of the 27th May 2025 by 12:00hrs to the following email address supplychainmetrolink.ie. TII intends to hold a webinar for the registered interested

parties in relation to this procurement on May 29th 2025 at 12:00hrs. TII previously issued a PIN in connection with the MetroLink Advance Works packages for market consultation (reference OJ S 217/2023 10/11/2023)

2.1.1. Purpose

Main nature of the contract: Works

Main classification (cpv): 45230000 Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

Additional classification (cpv): 45233140 Roadworks, 45233220 Surface work for roads, 45454100 Restoration work, 45453100 Refurbishment work, 45111240 Ground-drainage work, 45112700 Landscaping work, 44212400 Piling, 71317200 Health and safety services, 71334000 Mechanical and electrical engineering services, 71313450 Environmental monitoring for construction, 45000000 Construction work, 76300000 Drilling services, 90491000 Sewer survey services, 45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45231200 Construction work for oil and gas pipelines, 45231300 Construction work for water and sewage pipelines, 45231400 Construction work for electricity power lines, 45232400 Sewer construction work, 45232430 Water-treatment work, 45233100 Construction work for highways, roads

2.1.2. Place of performance

Country subdivision (NUTS): Dublin (IE061)

Country: Ireland

Additional information: The Utilities Framework for MetroLink, will be procured in accordance with the European Union (Award of Contracts by Utility Undertakings) Regulations 2016 (SI 286/2016) (Utilities Regulations). This is a periodic indicative notice (PIN) used only for information. This is not a call for competition and therefore no tender documents are available. No competitive process will result from this PIN; any future competitions will be subject to appropriate advertisement via the Official Journal of the European Union (OJEU) and on www.etenders.gov.ie. Any expenditure, work or effort undertaken by organisations or service providers is a matter solely for themselves and costs will not be reimbursed. Interested parties will not be prejudiced by any failure to participate in the market consultation associated with this PIN. TII will not pay any compensation or fees for attending any meetings or engagements. Participants in the market consultation may be invited to provide further information at TII's sole discretion. Following receipt of completed questionnaires from interested parties, TII proposes to invite selected participants to provide further information by way of one-to-one clarification meetings. The purpose of these meetings is to allow TII to further develop and finalise its procurement strategy for the MetroLink enabling and advance works contracts. It is expected that these clarification meetings will focus on those key issues raised by participants. Participation or non-participation in any engagement during the consultation process will not prejudice participation in any future tender competition. TII reserves the right to only engage in market consultation with bona fide suppliers who are actively involved in this area of business and have registered their interest at the following email address supplychainmetrolink@tii.ie. The estimated and maximum value will be advised in the forthcoming Contract Notice.

2.1.3. Value

Estimated value excluding VAT: 250 000 000,00 EUR
